We had a great time at the North Myrtle Beach St. Patrick's Day Parade. We drove 6 Beauty Queens with about 15 Corvettes as backup.

The Repair Shop list was updated with a Chevy Engineer info center, tires and another repair shop.

At the Venice car show, Jim Spore again won the People's Choice Award and our Club won most attended and longest traveled award.

Corvettes at the Beach is now in full swing. We all had a fun time at our show last year so contact Linda Meaders for your participation in this, our biggest fund raiser.

See ya'll April 8th at the Sunnyside Grill and remember to SAVE THE WAVE.....

Regards,
Gerry

Bob Carey - Editor - More on Mid Engine Cars

[Bob Carey](#)

The overwhelmingly positive response to the C4 led to one of the most ambitious concept cars of all time: the 1986 Corvette Indy.

It all started with GM's Vice President of Design at the time, Chuck Jordan. Jordan wanted to expand on the technologies found in GM road cars, as well as develop a car that used a street version of their newest racing engine, a V8 IndyCar engine with twin-turbos. Chuck Jordan found visual inspiration for the body in a rendering by Tom Peters.

While the 1986 Corvette Indy did not become the C5, its curvy shape did predict the styling choices of 90's cars well. In fact, most of the Corvette Indy's design cues were picked up by the 4th generation Camaro which premiered in 1993. If you look at a 4th generation Camaro just right it can be argued that the pointed nose, headlights, and rear spoiler design cues were inspired by the Indy.

[The Corvette Indy](#) is on display at the National Corvette Museum on loan from General Motors Design Staff.

Happy Spring to all.....although as I write this (at nearly noon!) the thermometer has not made it past 50....brrrr!.

At the March meeting, we welcomed new members Callie Engle and Wayne Zydiak. They have lived in Murrells Inlet since last December. They are from High Bridge, New Jersey. They have a '14 lime rock green convertible. They are both retired. Wayne was in sales management and Callie was an international meeting planner.

This month marks 5 years of MBCC membership for Gordon and Joan Bottom.
CONGRATULATIONS Gordon & Joan!!!!!!

AND AS USUAL-

I have MBCC cling-ons for your car. They are static plastic- will not inflict any damage! The cost is \$22 for 2. If you are interested in purchasing a set, let me know at penny121@icloud.com. I always have some with me at club meetings, as well as the car stickers (\$3.00).

If you attend club events where everyone will meet and caravan to the particular event, please come with a two-way radio so that you can communicate with others in the caravan, especially the leader. All two-way radios should be tuned to Channel 8. In addition, we now have club shirts that can be worn to group events. You are not required to purchase a shirt, but if you want to, the information will be at the end of the Vette Gazette.

Should there be any changes/corrections to your address, phone number, email, etc, please let me know at penny121@icloud.com so we can keep our roster up-to-date and you don't miss out on any of the fun.

Please also let me know if there is an illness or passing of a member. Thank you.

HELLO SPRING! Are you really here? We have had enough of Winter.

Last month was busy despite the weather. Some members of our club went down to Venice FL for the annual Corvette Show. Congratulations to the Spores for winning the People's Choice award for the second year in a row. We also won for the club that traveled the farthest and most club participation.

We also had our meeting at Mexico Lindo where the margaritas seemed to be flowing & members were smiling. Then on to the NMB St Patrick's Day Parade: we had 17 cars entered, 6 of them carrying beauty queens. It was the largest parade both in entries & attendance that they have ever had in the history of the parade.

Lastly was breakfast at Dead Dog Saloon. Since we have not been there as of this writing, I'm counting on a great breakfast with a good view.

This month we have several scheduled events starting with our monthly cruise-in at Milardo's in Murrells Inlet on the 4th.

Next up is our monthly meeting at Sunny Side Up for breakfast in Calabash, NC. That will be on the 8th of April.

Our scheduled Tour & Tastings at Strand Olive Oils has been canceled due to lack of interest.

Next is our second cruise-in at Papa's Pizza in Little River, SC on the 17th.

Saturday the 21st is our trip to Charleston for the Corvette Show put on by the Coastal Corvette Club. Some of you are spending the night before; others will caravan down that morning. As we get closer, I will put out a meeting location for all the caravan members.

The next event is lunch at California Dreamin' in North Myrtle Beach on the 30th, starting at 11:30 AM. There will be a musical quiz for all you music buffs (of course it is optional). The winner will receive a FREE lunch.

VENICE CORVETTE CAR SHOW

Betty and I attended the Venice Florida Corvette Show with several MBCC members on March 11, 2018. A few members cancelled because of the forecasted bad weather; however, the sun came out and the day was perfect.

Jim and Sharon Spore won a Participants Choice trophy and MBCC won a plaque and \$100 for the Farthest Traveled with the most Corvettes. Mike Woldanski accepted the award.

Things are moving along well for our big All Corvette Show on Saturday June 2nd. If you are interested in attending the show, please try and get your pre-registrations in ASAP. It's always easier to get things organized early for our committees. We are still looking for parking and judging helpers so if you are interested but haven't signed up on the sheet, please email me and let me know.

At present we have 48 registrations, most of them from outside our club. We are still looking for vendors and sponsors so if you know of anyone that is

interested in setting up a vendor booth, please let me know.

We still have trophies available for sale as well. This year we've decided to have more trophies than in the past because we expect a lot of C6's and C7's.

Therefore, we will be doing away with the class winner trophies, which were the Lucite trophies. If you are interested in purchasing a trophy or know of a business that would like to, please let me know. The most recent trophy update list has been sent out this week. Also, if you are interested in donating \$100 and having a picture of your car and your name on our car show shirt, please let me know and we'll make sure that a picture gets taken and transferred to the correct format for the shirt. We only have room for about 4 more cars.

This is the biggest event that our club has and the largest All Corvette Show in the Southeast. It's always fun to attend the Friday night meet and greet party at the Landmark Resort as well. So, if you are interested in going to this fun party, please make sure you check the correct box and send in your registration form.

See you soon.

I am happy to provide more news from the National Corvette Museum about the first 2019 ZR1, along with other items of interest. Please consider becoming a member so you can have access to all these and other interesting events and facts. Please see me at the April Meeting for those interested in becoming a member.

Rick Hendrick Visits NCM and the First Retail 2019 ZR1

You may recall in January that NASCAR team owner and Chevrolet dealer Rick Hendrick was the winning bidder on the first retail 2019 ZR1 at Barrett-Jackson. The purchase was for \$925,000, with the proceeds going to veterans charity Building for America's Bravest through the Stephen Siller Tunnel to Towers Foundation. On Wednesday, March 14, Hendrick visited the GM Corvette Assembly Plant to see his ZR1 ceremoniously roll off the line and to start the car. Afterwards, he visited the Museum for lunch and photos before taking a Stingray for a spin at the NCM Motorsports Park.
