We had a great meeting at Key West with 102 members. This is a tie with the most members present ever at Chesapeake. We have a fantastic line up of activities for this year. I have received many emails from our chairs outlining their plans such as the Casino boat in May with Robert Casper and the Dolphin Cruise in April with Maggie Hood.

Thanks to Jim Spore for a very successful Sea Captains Breakfast.

See ya'll at Carolina Seafood & Steak for our next meeting
And remember to SAVE THE WAVE.....

Regards,
Gerry

For those of you that take an interest in the Corvette Racing team, the season started back in January with the Rolex 24 Hour at Daytona event. The race this year was broadcast on TV in short multiple segments for fans to follow along during the 24 hours. I enjoy watching the prototype and GTLM categories as GM has entries in both. This year the Corvette C7.R No. 3 qualified 2nd for a front row start.

This year's Rolex 24 is the 20th anniversary of Corvette Racing's competitive debut.

The next event in the WeatherTech IMSA series is the Mobil One 12 Hours of Sebring Presented by Advance Auto Parts.

It will be available on TV and Streaming on March 13-16. Here is a link to the [Schedule](#).

Thundering Thursday from Corvette Mike

Bad Asses from the Past and Present.

Last of the 2 high horsepower Stingrays!! 1967 L71 427/435 HP convertible 2019 LT5 755 HP Convertible

The 1967 Corvette Stingray 427/435 has been the ultimate collector car for most of its 50 year history. To visit a Chevrolet dealer show room in late 1966 and 1967 must've been quite a treat. I always wondered what it must've been like to visit a dealership like Harry Mann Chevrolet in Los Angeles with a whole line up of 1967 big block Corvettes. I believe today is no different and in the future people will ask the same question looking back on the 2019 ZR1 and the similarities between the two. The 435 hp 1967 was the high watermark of Corvette performance back in the day. It equates to the 755 horse power ZR1 that you're able to buy today, of course if you are lucky enough to be able to get one. Since the production is very limited and exclusive.

This article was submitted to me by our president Gerry Gismondi. If you would like to receive articles like this, go to <https://corvettemike.com/> and subscribe. I did, therefore you will probably see more like this in future Vette Gazettes.

My goodness, it's March already!!!! The days are getting longer, the temps going higher, daffodils can be seen!

January gave us 7 new members: Joe Bellucci, Drew Tuckman and Michael Wheeler. Don & Patti Stone were introduced to the club at our February meeting. They have an '09 red convertible, have lived in Myrtle Beach for 2 months and are originally from Reidsville, NC. Also, Frank and Kathleen Daum- they have a '19 Long Beach red convertible; have lived in Calabash for 8 years and moved here from Long Island, NY.

February has given us Bill & Margo Klinger, Mark Caputo, Reese & Heaven Helms, and Jerry & Nancy Vinkowanich. Hopefully you will get to meet them all at our March meeting!

We currently have 209 active members- 96 family memberships and 23 single memberships.

David Nelson offered to call the members who opted not to renew and did not give a reason. One of these members said they had a hard time hearing the speakers at the meetings. If this happens to any of you, please stand up and raise your hand to let the speaker know!

AND AS USUAL-

If you lose your name badge I can order you another- the cost is \$10.

If you'd like your car model and year added to your name badge the cost is \$8. I have MBCC cling-ons for your car. They are static plastic- will not inflict any damage! The cost is \$22 for 2. If you are interested in purchasing a set, let me know at penny121@icloud.com. I always have some with me at club meetings as well as the car stickers (\$3.00).

If you attend club events where everyone will meet and caravan to the particular event, please come with a two-way radio so that you can communicate with others in the caravan, especially the leader. All two-way radios should be tuned to Channel 8. In addition, we now have club shirts that can be worn to group events. You are not required to purchase a shirt, but if you want to, the information will be at the end of the Vette Gazette.

Should there be any changes/corrections to your address, phone number, email, etc, please let me know at penny121@icloud.com so we can keep our roster up-to-date and you don't miss out on any of the fun.

Happy Spring!
Patricia

2019 National Corvette Caravan & NCM 25th Anniversary Celebration

August 28-31, 2019

There have been many questions about the 25th National Corvette Museum Anniversary Caravan. If you would like to participate you need to do the following:

First go to the National Corvette Museum website.

<http://www.corvettemuseum.org>.

Second click on "Explore" and then Corvette Caravan.

Next you need to Register for the event on line with the Museum.

After registering then proceed to the Regional Caravan map for details and registration for the Caravan. This site will provide activities and hotel registration information.

Once we know the number of members who plan on attending, I can make arrangements for our club to caravan to Concord NC to meet the Regional group. I will be traveling at the time of the March Meeting, but will be back for the April meeting to answer questions.

Rich & Patricia Miller - Car Show Update

[Patricia Miller](#) [Rich Miller](#)

Mel and his T-shirt committee have selected the styles, colors and design. Corvette hats have also been ordered.

Kevin has been keeping us in check with our costs.

Rick has saved us money on plaques for the show. He is also planning on having 2 judging clinics this Spring.

The website conversion is on schedule for a March 1 change over that will allow for on-line registration and will also allow members to renew on-line.

Broadway at the Beach is getting us the contract which should be in hand any day. The new tent company (Rent-A-Party) is in place and we have a 3 year lock in for the price.

Elvis Services have been confirmed.

The following vendors are returning: Rentko food and breakfast items will be available, MB Window Tinting, All Hands Detailing, Ben & Jerrys and MB Chevrolet/Cadillac. AN AREA WE STILL NEED HELP WITH: If you are attending events that have vendors and you see one that looks interesting pick-up a card, ask them if they have done or would like to try doing a car show, and if they are available for June 1st. If you get a YES answer get the information back to us.

In the past members have signed up to purchase trophies for the show, the forms have been emailed to you. Looking forward to your continued support in this area, the following have been sold: We still have a way to go. Thank you to those who have stepped up so far!!!

Past Events - MBCC 2nd Annual Winter Rallye

Pictures from the Feb Road Rallye. As you can see from the top group photo, the turnout was very good.

Past Events

Road Rally Winners

Past Events - (Feb 23rd)

Yesterday's Cruise-in at Hwy 55 in NMB had 5 MBCC members that attended, even with the questionable weather. There were only 48 total cars there so our group was 10% of the attendees so a great turn-out.

One of our members, Jeff Estes, was awarded the "Oh So Close" award for showing his Vette (picture attached).

We will have another Cruise-In with the MB Car Club, probably at Hamburger Joe's in Surfside Beach on 3/9 (details to come later).

Thanks for those that attended and for all the great conversations we had.
