I have posted many articles about the new C8 on our club's Facebook Page. Set aside a few minutes and check it out. Also, go to the NCM website and view the C8's being raffled off.....you might get lucky.

Thanks to Jim Spore for a wonderful cruise to the Biltmore and Tail of the Dragon....no rain. Linda Ferrero had a good time with her group at the Pelican Game....I heard it was a bit warm though.

Linda Meaders and Betty Freedman are busy working on the the welcome party for the 2020 car show. Coming up in October is a Galla Halloween Party hosted by Donna

Maisano. If you haven't been to any of our club cruise-ins, you are missing out on a lot of fun and camaraderie.

Hope to see y'all at the annual picnic at Myrtle Beach State Park. Linda Meaders and Betty Freedman have a great surprise program you won't want to miss.

And remember toSAVE THE WAVE....

Regards,
Gerry

History of the Corvette Wave

Have you ever wondered where the slogan, "Save The Wave" came from and what it means? Read below an article that first appeared in the August/September 1969 issue of Corvette News. The article was entitled "Save The Wave".

Remember, this article was written and published in 1969! Ever since Corvette No. 00001 first met Corvette No. 00002 on the road, the drivers saluted each other with waves. Today, unfortunately, this grand and glorious tradition is wavering.

There's one item of standard equipment that comes as a pleasant surprise to every new Corvette owner. It's an instant wave of recognition he or she receives when he meets one of their ilk on the road. The first time it happens, they will be taken by surprise.

Soon, however, the new Vette owner anticipates, indeed even relishes, encountering other Vettes as he drives. During this period, he experiments with his waves, running the gamut from the gaping "yoo hoo" to the ultra cool "two finger flip." He perfects his timing, making sure he affects neither a too-early wave, nor the jaded "oh brother" too-late variety. Determined not to be one upped, he even develops a defense mechanism for non wavers, usually settling on the "Wave"? My hand was just on the way to scratch my head" approach. (This is especially useful when you're not driving your Vette, but you forget, and like a dummy, you wave anyway.)

I hope that everyone is enjoying this beautiful summer weather. Before you know it, autumn will be here! I would like to remind everyone that plans for the MBCC Halloween Party have been made!

The party will be held on Sunday, October 27th, 2019, at the Elks Lodge located at 606 27th Avenue N, Myrtle Beach, from 6-10 PM. Entry for the event is \$30, which will include a hot buffet and dessert bar, cash bar and music by Miracle Max and the Pet Monsters, one of Myrtle Beach's hottest live bands.

Miracle Max and the Pet Monsters is a 6-piece band, which is one of Myrtle Beach's top live performance bands playing your favorite 80's music. They put on a great show and you can dance the night away. Costumes are not mandatory, but there will be a grand prize for the best costume.

Tickets will be available for purchase at the upcoming meeting or by mail. If you would like to bring guests, you may do so as space permits. Please send me an email or call (631) 553-0122 for any additional information.

Special Artifacts Displayed Celebrating 2019 Corvette Hall of Fame Inductees

Each year, the National Corvette Museum inducts individuals into the Corvette Hall of Fame who have made significant contributions to the hobby. This year's inductees - Dollie Cole in the category of Enthusiast, Briggs Cunningham in the category of Racing, and Tom Peters in the category of GM/Chevrolet - will be celebrated as part of the Museum's 25th Anniversary event August 28-31, 2019.

In celebration of the class of 2019, the Museum's Collections Department has curated a special display featuring a number of special items and vehicles to represent each of the three individuals. The items will be on display in the Museum's Skydome throughout the Anniversary event, with smaller display cases featuring items from each remaining for one year.

Museum to Raffle One-Off, Silver Anniversary Themed Grand Sport

The National Corvette Museum is celebrating their Silver Anniversary Labor Day weekend and will welcome over 10,000 Corvette enthusiasts August 28-31, 2019. "We have been working with GM on a few one-off features for this car for the past several months," said Katie Ellison, Director of Marketing and Communications. "With it being our 25th Anniversary, we wanted to incorporate a few special 'silver' features on the car that are truly unique. Exterior Design Manager Kirk Bennion, and Senior Designer Dennis Finos really went above and

beyond to create a classy look that celebrates the Museum's milestone. We are excited for everyone to see the finished product and are appreciative for GM's willingness to add the special touches!" **RAFFLE FORM HERE**

Special Notice

Due to the timing of the ongoing 25th Anniversary event at the NCM and the excitement of the 2020 C8 reveals also going on at this time, I have limited images from the Caravan from our Ambassador Mike Woldanski in this members issue of the Vette Gazette. Fortunately, because I delay posting the Gazette on our website, I will be able to include any additional input in that version of September's Gazette.

In case you didn't get to view the C8 reveal online or at any of the previous events around the country, see the chart below for a dealership event in the coming months.

2020 STINGRAY HITS THE ROAD FOR TRAVELING SHOWCASE
