JUDGING INFO

WHAT THE JUDGES ARE LOOKING FOR:

1. Cleanliness (most important) (Tires & wheels, Paint, Interior, Glass, Engine compartment)
2. How much Time and effort did an owner go through to get the Corvette ready to show (an outstanding 50 year old C2 might have an edge over a one week old C8).
3. Your Corvette can be stock, modified or custom.

JUDGING RULES: All classes are judged independently, using the same judging criteria. Day of show entries - If you DO NOT wish to have your car judged, please TELL us at the gate!

1. We will NOT touch your car or open doors, hood or windows. You must be AT YOUR CAR to BE judged. If you are not present to open doors, hoods, etc., we cannot judge your interior or engine!
2. Judging starts promptly at 11:00am.
3. Convertible tops must be up.
4. The hood should be open.
5. Windows up.
6. The trunk or rear hatch should be open.
7. Remove floor mats and all items from trunk / rear compartments.

Please follow the rules to get your Corvette judged. If you have a question, ask before we start judging!
