Presidents Corner by Bob Dyke

WELCOME BACK!!

The last few months have seen an increase in the number of Members participating in our various events and activities. Thank you to the Grenfell's for hosting 82 Members to their home and hangar in lieu of our Car Show. At our June meeting, we surpassed 100 members attending a monthly meeting for the first time since the start of the pandemic. We all were able to reconnect with old friends and make friends with those that have joined in the last year. We look forward to returning to more of a "normal" routine through out the year with our activities.

Having achieved 300 Members and in excess of 100 attending our monthly meetings again, it creates an ongoing situation of the difficulty of finding an adequate facility that can accommodate our Club. Living in a resort area is very attractive, except during the season, when many restaurants and facilities are very busy and available workers impact what they can offer. I assure you we are looking into viable alternatives and possibilities we may use. Please advise if you have thoughts or suggestions.

On behalf of the MBCC, Della sends at least one email per week about our monthly scheduled restaurant cruise-in's. There are most likely a couple more each week that she sends to all members. If you feel you are not receiving emails from the club, please advise us at mbcorvetteclub@gmail.com. We have identified a possible issue with just a few members and want to make sure it is not widespread.

The MBCC Website is a great resource for current and upcoming meetings and events on our calendar and listings for the remainder of the year. Under the photos tab, enjoy the photos from recent events you may have participated in and enjoyed. If you are on Facebook, please join our page where we post events and photos of our Activities.

Michael Grabarz - VP

Good Evening Everyone:

This month has been a tough month trying to find a place to have a nice meeting and a dinner for our members. We are trying to get a place to have delicious food either off the menu or buffet style.

I contacted seven restaurants and golf clubs to have a meeting and dinner, and they all are saying they have parties and weddings that were booked last year and forcefully canceled, so they are now hosting these events.

We had a great time at the Barefoot Club with a buffet dinner. We had 110 members at the meeting and 97 stayed for a delicious dinner. We are scheduled to have another meeting there again with a buffet style dinner after the October meeting.

With that being said, after many phone calls and almost canceling this month's meeting. I finally received a call from the Manager of the Legends Golf Restaurant, 1500 Legends Blvd. MB, off Rt 501. We discussed the past amount of people that attended the Barefoot Restaurant Meeting and Dinner and we agreed on a buffet dinner.

We are hoping for the same amount of members that were at the Barefoot Club to attend the meeting at the Legends Restaurant. We will be having a buffet style dinner on Sunday, July 11, after the 5pm meeting at approximately 6pm. It will consist of Spaghetti, Meatballs, Salad, and Rolls with a fresh baked cake from Pawley's Island Bakery, all for \$20.00.

We've been trying our best in finding a place to have our meetings with not too much luck, and if anyone has any ideas please contact me via my email.

Once again I'm asking everyone to contact me via my email if you plan to attend, and bring the proper denominations of \$20.00 cash or bring a check.

I'm hoping for a large turnout.

If you are attending this month's meeting on July 11th please let me know by Friday July 9th so I can let the chef know how many people are attending. EMAIL ME AT MJG330@GMAIL.COM

Thank you.

Secondly, the Combined Car Show with the Myrtle Beach Corvette Club and the Myrtle Beach Car Club, with the Myrtle Beach Pelicans Baseball Team, will start at 2:30 pm until 5 pm on Saturday, July 24. The first 100 registered attendees with payment will receive a commemorative dashboard plaque. We are expecting a huge turnout (weather permitting) before the MB Pelicans and Charleston River Dogs Baseball Game which starts at 6 pm (gates open at 5 pm). All entries will receive one ticket to the game with the registration fee of \$20.00 and discounted food. This rally is open to all Trucks and Cars. There will be 52 trophies being given out to trophy classes of Pre-war - 1995 and 1996 - present with Best of Class from each category. Music by Showtime Glass and you can register online at MB Pelicans' website by using MBCAR21. If you want to purchase extra tickets, let me know before the day of the show.

There will be prizes, 50/50, raffles, and other giveaways. All proceeds go to each car club charity.

We will need help setting up that day, please be there by 1pm in the first parking lot on the right as you enter the parking area. They will provide security during the game for us.

Please let me know if you are planning on attending and registering. Also I need to know if you can assist in setting up that day.

Thank you everyone.

Be Safe.

Editor's Notes - Reese Helms

June has brought many things to be excited about....

Summer Fun, Family Gatherings, Car Events, and best of all the attendance is BACK!

I must say that I was absolutely blown away by the amount of people at Barefoot for our last meeting. It is, well, just amazing.

We are growing by leaps and bounds. It is crazy. I do have a few things to request from each of you:

1. Please bear with us, the Board, as we work to keep up the new demands placed on us due to this growth.
2. Veteran Members, please try to reach to out to the newer members and ensure that they are engaged and see all that you have seen in this organization.
3. New Members, attend as many events as you can and find what fits you best i.e: cruise-ins, overnight trips, pop lunches, social events, etc. If there is an idea you have, bring it up!

Lastly thank you all for your support both to the club and to this newsletter.

ALL SUBMISSIONS ARE DUE BY THE 28th of the month.

Please submit articles and/or pictures to:

Membership - Donna Mendez

Hello Everybody!

At our last meeting we introduced new members Leroy & Gay Rodey, David & Mary Roland, James Bean & Nancy Ade, Ed Belly & Joan Nimberger & Jack & Carolyn Simcsak. WELCOME!!! We have 5 new families who have joined our corvette club since the last Gazette. I hope to introduce them to the membership at the July meeting along with any past month's new members who have not yet attended a meeting. Welcome to Doug & Debbie Jensen, Paul Recio, Jay Mosser, Davin & Rebekah Bouchillon & John & Irene Freni. I am happy to report that two of our past families/members have re-joined: welcome back Sandra Pridgen and Phil & Susan DelCostello. We currently have 300 active members, 135 families, 26 singles and 4 social members. Additionally, we have 7 honorary members. I'd like to congratulate Jack & Jean Heslin, David Sandifer & Norma Hadley, and Paul & Kathy Oliver on their 5 year club anniversary.

REMEMBER: New members receive their name tags and welcome packet at the monthly meeting after they join. Any new members who have not yet attended an orientation and therefore have not received their packets and name tags, please let me know if you will be attending the July meeting.

If any members have lost their name tags or have new cars that they would like listed on new tags, they can be ordered for \$10; just let me know. Our President Bob Dyke has MBCC clings for your car for sale that are made of static plastic and will not cause any damage to the car. For optimal stick, dampen them before you adhere them to car. The cost for these is \$22 for 2. I also have car decals (\$3.00) for purchase at all meetings.

If you attend a club event where members will caravan, please bring a two-way radio so you can communicate with others. The radios are always tuned to channel 8.

If there are any changes to your address, phone number or e-mail, please let me know. I would hate to have you miss a notification of upcoming fun events or cancellations because we do not have your updated contact information. I can be reached at 732-604-1848 or at dmendez2@comcast.net. Please feel free to contact me with any questions, changes or concerns until a new Director fills the position.

Each day is a gift. Don't let one pass without counting your blessings. Enjoy the summer and your wonderful cars! See ya!

Membership Continued - Donna Mendez

Some of you know that in January of this year my Father had an accident that has rendered him virtually wheelchair ridden and my Mom has since been diagnosed with Alzheimers.

Since then, my husband and my time spent with the club has been greatly impacted as one of us must always be home as caregivers except on special occasions where we hire an outside caregiver.

Even though I have been able to successfully keep up on the administrative end, the most important part of the job is the personal contact at events with our new members as they get their feet wet and meet new friends in our club.

I strongly believe that my inability to perform this job to my standards is not in the club's best interest. Therefore, I am regretfully resigning my position as Membership Director as soon as an interim Director is in place.

If you are interested in stepping up to be interim Membership Director until the vote in November (and hopefully run for the office in November), please let our President Bob Dyke and myself know. If you have questions about what the job actually entails, please contact me and I would be more than happy to answer any and all questions. It is a time-consuming position but an extremely rewarding one.

I have loved meeting all of our new members and forging bonds that hopefully will continue long after my time as Membership Director has passed.

Honoring Gary Ballard -

Thank you for your purchase of a National Corvette Museum Commemorative brick. The success of the Museum depends on the generous support of persons like you.

Your brick is located in **Section 4B** of the walkway at the National Corvette Museum. These bricks represent the widespread support from individuals, clubs, and businesses across America and the world.

Your contribution is very important and helps further the mission of the Museum to celebrate the Corvette's invention and to preserve the legendary automobile's past, present, and future.

We appreciate your interest in becoming a part of Corvette history. Again, many thanks for your support. Hope you can visit us soon!

Dear Mr. Dyke,

On behalf of the family of Garry Ballard, we wish to express to the MBCC our appreciation for the commemorative brick which was placed in the National Corvette Museum in his memory.

Garry had a life-long love of Corvettes and he would have been very pleased and honored with this recognition.

Garry enjoyed his association with the MBCC and the many friends he made.

Thank you again and best wishes to the MBCC.

Sincerely,

Judy B. Cook

Kevin and Della Goettl met and married in West Virginia in 1984. Kevin worked as an accountant for Union Carbide (later Dow Chemical) and Della was a legal secretary. Kevin's job immediately took them to Houston, then to Louisiana, back to Houston, back to WV, to Kuwait, back to WV, and finally to Michigan. Della retired prior to the Kuwait move in 1996. We bought our first Corvette, a 1993 Polo Green Convertible, on Della's birthday in 2000, with Kevin claiming it was Della's birthday present!! We joined the Bay Valley Corvette Club in Michigan, where we made many lifelong friends. After 12 years of Michigan winters, Kevin retired in September of 2013 and we moved to sunny Myrtle Beach in October. By November, we were members of MBCC, where we're now making many new lifelong friends. Kevin served as Treasurer of MBCC from 2016-2020 and is currently Website Coordinator. Della is currently Communication Liaison. We bought our present Corvette, a 2007 Silver Convertible, in the Spring of 2015. We have one son and three grandchildren, all living in New Jersey.

Mystery Cruze 2 Conclusion -

Well, the Spring (Summer) Mystery Cruze 2 is in the record books. We had 21 cars with excited members just waiting for a fun drive in the cow country of North Carolina. Of course they really didn't know where they were going except for those repeat entrants which we had 11, and those first timers which we had 10.

We had almost perfect weather until we ran headfirst into a brief rain shower which caught those with their tops down by surprise. The club collected \$420 for our charities.

Where else can you get so much FUN for such a small cost and all for charity. We did end up at a new food & drink restaurant called **Chance's Steak & Sea** on Route 17 in Shallotte.

I highly recommend everyone checking this restaurant out as they not only had great food but went out of their way to please the club members. Tell them you are with the Myrtle Beach Corvette Club and see if they remember us. Until the next time Norma & I decide to plan another Mystery Cruise, check out all of our upcoming events.

THANKS AGAIN to all who participated in Cruze 1 & 2.

David & Norma

November 5-7. Hilton Head Concours d'Elegance. Jim and Sharon Spore

Cruise-Ins and Community Events - Jim Spore

At our June meeting last week, I announced I was planning a trip to Hilton Head for the Concourse de Elegance car show on Saturday November 6th and Sunday the 7th. There will be a different group of cars each day as well as an exhibit of antique airplanes. The Concourse shows are different from your average show in that exhibitors need to apply and be accepted to show their vehicles. The Concourse shows also differ from the average car show in that many of the cars are extremely rare classics and often one-of-a-kind vehicles that could be in the 6 maybe even the 7-dollar figures. You will also see some high end manufactures like Porsche, Lamborghini, Maserati and others displaying their latest models.

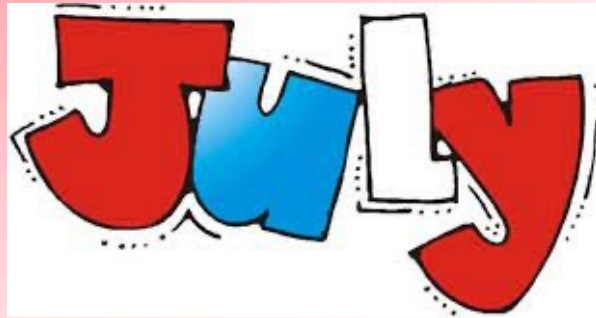

The show is November 6th and 7th but we will leave on Friday the 5th and come home either Sunday the 7th or Monday morning the 8th. Staying Sunday night is optional. I have reserved a block of rooms at the Holiday Inn Express where we have stayed twice before. The nightly rate total is \$143.19 which is all inclusive. There is a complimentary breakfast, a gym, and an outdoor pool where we have been known to have a Happy Hour before dinner every night. And yes, I will make arrangements for Friday, Saturday, and Sunday dinners for everyone that does not go home after the show Sunday. You will be responsible for calling the hotel to make your reservation. Their phone number is 843-842-6662. Make sure you tell them you are with the MBCC and how many nights you will be staying. Cut off for making reservations is October 6th.

Tickets for the two-day show will be \$90 per person. That's \$45 per day. I will order them the first week in October and hand them out to everyone in Hilton Head. You can send a check made out to me for the tickets. Our address is 513 Montaigne Ct. Calabash, NC 28467. I know there has been an "are you interested" signup sheet at the meeting but now that you have the details I'd appreciate it if you would confirm you will be going to the show. My email address is cyberguy44@gmail.com.

Thanks, and I look forward to hearing from you!

Jim Spore
