HOT AND HUMID

Not sure what season it is? Walk outside and it will hit you quickly. Although at times the weather has been very hot, we have been building a good sized group of members participating in weekly Cruise-Ins and Car Shows. I would also like to thank and congratulate ALL of the MB Corvette Members who participated in our recent joint Car Show with the MB Car Club at Pelicans Stadium to benefit both of the Clubs charities. It was a Fantastic showing. THANK YOU

Your MB Corvette Club has now surpassed 300 Members and continues to grow. Participating in Club events, Monthly Meetings, Weekly Cruise-In's, Car Shows, Popup Lunches, the Annual Picnic, Mystery Cruises, Road Rallies, Group Travel to Bowling Green and Hilton Head, and a joint Lunch with Queen City Corvette Club gives you many events to meet and get to know your fellow members. Plans are also being finalized for our Halloween Party and Holiday Party. We look forward to seeing you at these events.

Announced last month, Membership Director Donna Mendez has reluctantly resigned her position and will be missed tremendously. Hopefully Donna and Steve will be able to resume attending events in the future when they are able. Thank you very much for your service to the Club.

Your Club will also be searching for candidates to fill the positions of Membership Director, Treasurer and Car Show Director for the upcoming terms of office. We have many members qualified to fill these positions and receive the feeling of accomplishment and satisfaction of serving your Club. Please reach out to our Secretary Donna Maisano or myself with any questions.

Please refer to the calendar on our website for activities and you will find we have a very full schedule of events to choice from in the next six months. Our Facebook page will also have photos and activities posted in a timely manner.

“Let's make 2021 a Fantastic Year “

As you all know I sent out a feeler after the July Meeting asking who will be attending a delicious dinner after our August Meeting at the Brunswick Plantation Club.

I still have the list from that feeler a couple of weeks ago, of who is attending and who is not. I will use that list to determine who will be attending and how many members and guests will be at the meeting and dinner.

If there are any changes in your plans since then and you can or cannot make it for some reason, please email me ASAP to place you on the list or take you off the list.

The dinner is \$25.00 (please try and bring the correct denominations or a check because we will have a limited amount of change on hand) and the Buffet Dinner will consist of the following:

Garden Salad, Chicken Marsala, Eggplant Parmesan, Sliced Roast Beef, Pot Roast with Potatoes, Onions, and Carrots, Pasta Primavera, Sliced Pork Loin with Gravy, Stuffed Flounder, Fettuccine Alfredo, Beef Tenderloin Tips with Gravy, Sliced Baked Ham, Macaroni and Cheese, Country Green Beans, Coffee and Tea (Cash Bar)

Brunswick Plantation is just over the state line and down the street from Crow Creek Golf Course in NC.

The address for the BRUNSWICK PLANTATION is 380 BRUNSWICK DRIVE in CALABASH, NC 28467
PHONE NUMBER IN CASE YOU NEED TO CONTACT THEM IS 800-332-8576.

Director at Large Joe Worts will be collecting the money Sunday Night at the meeting for me, because I will be away on vacation. But I will compile the list of members attending the meeting and/or dinner for him.

As I said I will use the list of members who said they will make the meeting and dinner earlier this month, but if you change your mind or you may have forgotten what you did when you sent me your reply earlier this month, you can send it to me again to my email address...NOT the MBCC email address.

My email address is MJG330@GMAIL.COM.

Also, there is something I have to discuss with the membership concerning the Pelicans Car Show to benefit the charities of both car clubs, MB Corvette Club and MB Car Club.

I want to thank everyone who volunteered their time in assisting any way they could during the show.

I am very upset with the Administration of the Pelicans who promised us the world and never came through with anything...even though I advised them both clubs are a 501C3 organization and all of the proceeds go directly to both clubs' charities.

They never came through with the items to give away, no jersey to raffle off, no hat to raffle off, no discount on food and drink, no help at all.

I am a partial season ticket holder for eight years and I am boycotting the games they have and events they hold for the remaining of the year and I may never sign up for their season tickets again.

They lied to me and the clubs, and the day of the show they wanted to know how many tickets they are selling to the car show attendees. When we organized this they said that they were going to be free (one per car) and discounted the tickets to \$7.00 from the original price of \$10.00 (upper area tickets). Well once again they related to us they never said anything about free tickets and charged everyone full price (\$13.00) who attended the game that night.

But the flier was approved by them and all of the items were on there and they never came through for us.

I'm glad we collected the full amount of \$20.00 for the registration and didn't pay them for tickets like they thought we were going to do. But we had 125 cars in the show which is not bad for a first show there.

When everything was paid for, we made a respectable \$800.00 plus for each club.

We learned a lot from this car show and I would not push for another show there because of the lies from the administration, and from the General Manager and Assistant Ticket Manager who never even donated a cent to our charities.

Thank you again for your assistance and attendance to this show.

Mike Grabarz, VP MBCC

Editor's Notes - Reese Helms

Wow July happened real quick!!!!

I feel like I say this every month but we continue to grow to unforeseen heights. This has made our turnouts to shows, cruise-ins, luncheons, and other events almost appear like a show BRUTE FORCE!

Just recently we held a Pop-up Lunch at Boundary House in Calabash and there were close to 30 of us there, even with bad weather! AMAZING!

Now for a quick story, I was only a member for about 6 months when I was called asked if I was interested in a Board of Directors position. Fact is I was but I felt like I had not "put in my time" with the club to earn the opportunity and really at that point only knew like 4 people in the whole organization. Well.... I went for it and I have had my bumps and bruises but all in all to has been good. I still don't "know" everyone but I feel like I met and conversed with 95% in a very short time. Also the club as group has always been super supportive of me, my family, and this newsletter.

So new or old members if you have the talent, the desire, or even if you want to try something new, step up and serve on this board.

Thank you all for all that you do!

ALL SUBMISSIONS ARE DUE BY THE 28th of the month.

Donna Maisano - Secretary

Dear Members:

Although the weather is hot and humid we are already planning for Halloween! Start getting your costumes ready for a night of fun at the Myrtle Beach Halloween Bash which is scheduled for Friday night, October 29, 2021 at the Pine Lakes Country Club. In between ghosts and goblins will be a buffet dinner and dancing to 80's music by Miracle Max and the Pet Monsters! More information will follow but if you are interested in attending please be sure to sign up at our next meeting. The final details are being worked out but cost should be approximately \$35 pp. There will be a cash bar available and a huge separate room for dancing. For those of you that attended our party in 2019 you remember how much fun we had! We are hoping to see some exciting costumes once again and will award a prize for the best male, female and couple costumes.

Also coming up in October will be our nominations for the Board positions of Vice President, Director at Large and Membership Director. In addition to the positions mentioned at our last meeting, we also have the positions of Treasurer and Car Show Chairman now open and will accept nominations for these positions as well. As Nominations Director, I have received some interest for the position of Vice President and Director at Large. However we are still seeking volunteers for the other three positions. If you are interested in accepting a nomination for any of these positions, please email me at donna.maisano@gmail.com. I would be happy to provide a detailed description of each position as well as facilitate a meeting between a perspective candidate and the current board members. It is a great honor to serve as a board member of this club and I hope that you will consider becoming a nominee this year. We welcome any of our new members that would like to be nominated to please come forward as this is a wonderful opportunity to become active and meet all of the members in our club. Thank you for your consideration and see you at the August meeting.

Membership - Donna Mendez

Hello Everybody!

At our last meeting we introduced new members Davin & Rebekah Bouchillon, John & Irene Freni, Jay Mosser & Joe & Margit Lanfreschi. WELCOME!!! We have 5 new members who have joined our corvette club since the last Gazette: 2 family memberships and one single. I hope to introduce them to the membership at the August meeting along with any past month new members who have not yet attended a meeting. Welcome to Danny Wenglinsky, George & Emily Knouse and Ron & Blanche Migel. We currently have 307 active members, 138 families, 27 singles and 4 social members.

Additionally, we have 7 honorary members. I'd like to congratulate Bob & Beverly Rivest on their 15-year club anniversary.

In last month's Gazette and meeting, I advised the club that I need to step down from my position as membership director due to family illness. I have had one brand new member approach me to let me know if no one else steps up maybe she will step in. I applaud you Margit Lanfreschi for the possibility of the offer to help! I am still waiting to see if I get any response from any other club members. I will advise the membership as soon as I know what is happening.

REMEMBER: New members receive their name tags and welcome packet at the monthly meeting after they join. Any new members who have not yet attended an orientation and therefore have not received their packets and name tags, please let me know if you will be attending the August meeting.

Membership Continued - Donna Mendez

If any members have lost their name tags or have new cars that they would like listed on new tags, they can be ordered for \$10; just let me know. Our President Bob Dyke has MBCC cling-ons for your car for sale that are made of static plastic and will not cause any damage to the car. For optimal stick, dampen them before you adhere them to car. The cost for these is \$22 for 2. I also have car decals (\$3.00) for purchase at all meetings.

If you attend a club event where members will caravan, please bring a two-way radio so you can communicate with others. The radios are always tuned to channel 8.

If there are any changes to your address, phone number or e-mail, please let me know. I would hate to have you miss a notification of upcoming fun events or cancellations because we do not have your updated contact information. I can be reached at 732-604-1848 or at dmendez2@comcast.net. Please feel free to contact me with any questions, changes or concerns until a new Director fills the position.

Stay cool in spirit and temperature! Enjoy this beautiful place we all call home. See ya soon.

HI FOLKS,

There's a lot going on at the NCM. Aside from the raffle cars, I thought I would publish the NCM rule on obtaining raffle tickets again. Good luck!

The National Corvette Museum is licensed by the Kentucky Department of Charitable Gaming under license number ORG0000854.

At this time, we offer purchasers located in Kentucky the ability to purchase raffle tickets on their personal computers, mobile devices and on-site at the National Corvette Museum and NCM Motorsports Park.

To purchase a raffle ticket online, you must be at least 18 years of age and be physically located in Kentucky at the time of purchase. You do not have to be a resident of Kentucky to participate.

If you are not located in Kentucky and will be using a credit card as your form of payment, you can use the site to interactively create an order form. The payment information will be encrypted for your protection and broken into two parts, some of which will only be on the printed form.

YOU MUST HAVE ACCESS TO A PRINTER AT THE TIME THAT YOU CREATE THE ORDER.

Alternatively, you may download an Order Form from this site and type in your information before sending to the NCM for processing.

Below are our currently active raffles.

Member Spotlight- David Sandifer and Norma Hadley

After serving in the Navy as a Sonar Technician, I realized my love for all things electrical and electronics, so I started my own Electrical Contracting business in 1979 at 30 years old. Guess the apple didn't fall far from the tree as my father was also an Electrical contractor which is where I learned the trade. My first Corvette purchase was a new 1984 Gold Metallic with Z51 suspension (Ouch).

Shortly afterwards I joined the G-Burg Vettes Corvette Club, Gaithersburg, MD. G-Burg Vettes is a member of National Council of Corvette Clubs, (NCCC). I was a member for 28 years and served as Secretary and President during some of those years. I enjoyed participating in Rallyes so much that my partner and I finished 3rd in the East Region in 1993, 2nd in 1994, 1st in 95, 3rd in 96, 2nd in 97, and 6th in 98.

Maybe that's why Norma and I, along with Rick and Bonnie Serfass, decided to introduce Road Rallyes to MBCC.

Shortly after I purchased the 1984, I also purchased a 1965 Convertible for the purpose of restoring to showroom condition. After a 9 ½ year frame off restoration, I drove the 65 for 14 ½ years before selling it in 2009 at Corvettes at Carlisle to the Huntingtown Fire Dept as a raffle car. I immediately purchased a 1990 Charcoal metallic Coupe with only 22,000 miles on the odo.

In June of 2015, I was coaxed by a the highest authority to get out of MD and move to Myrtle Beach, which was where I always wanted to retire. Miracles DO happen. I was fortunate enough to meet Norma in June of 2016. We just celebrated 5 years of forever together and also celebrated 5 years with MBCC.

I
n October of 2018, I sold the 1990 and purchased my Crystal Red Tintcoat, 2013 Grand Sport Convertible.

Norma, a North Carolina girl, lived for 25 years in the northwest (Colorado, Alaska and Montana). She worked with the management/leasing team at a large shopping mail in western Montana for 18 years, retiring in 2012 and moving to Myrtle Beach.

Joint Show with MB Car Club Conclusion -

It was hot, many expectations and promises were not met, but it was still fun and we still had an amazing turn out. A gathering of friends and likeminded people raising money to help others is a GREAT day regardless of what other issues may surround the situation.

Joint Show with MB Car Club Conclusion Continued-

"I was so busy talking and walking around the car show I didn't take many pictures. Here are the few pictures I took on a wonderful hot car show sunny day. Everyone had an enjoyable time. I even had time and sold my 95 Corvette Pace Car to Auto World of Conway."

November 5-7. Hilton Head Concours d'Elegance. Jim and Sharon Spore

Cruise-Ins and Community Events - Jim Spore

At our June meeting last week, I announced I was planning a trip to Hilton Head for the Concourse de Elegance car show on Saturday November 6th and Sunday the 7th. There will be a different group of cars each day as well as an exhibit of antique airplanes. The Concourse shows are different from your average show in that exhibitors need to apply and be accepted to show their vehicles. The Concourse shows also differ from the average car show in that many of the cars are extremely rare classics and often one-of-a-kind vehicles that could be in the 6 maybe even the 7-dollar figures. You will also see some high end manufactures like Porsche, Lamborghini, Maserati and others displaying their latest models.

The show is November 6th and 7th but we will leave on Friday the 5th and come home either Sunday the 7th or Monday morning the 8th. Staying Sunday night is optional. I have reserved a block of rooms at the Holiday Inn Express where we have stayed twice before. The nightly rate total is \$143.19 which is all inclusive. There is a complimentary breakfast, a gym, and an outdoor pool where we have been known to have a Happy Hour before dinner every night. And yes, I will make arrangements for Friday, Saturday, and Sunday dinners for everyone that does not go home after the show Sunday. You will be responsible for calling the hotel to make your reservation. Their phone number is 843-842-6662. Make sure you tell them you are with the MBCC and how many nights you will be staying. Cut off for making reservations is October 6th.

Tickets for the two-day show will be \$90 per person. That's \$45 per day. I will order them the first week in October and hand them out to everyone in Hilton Head. You can send a check made out to me for the tickets. Our address is 513 Montaigne Ct. Calabash, NC 28467. I know there has been an "are you interested" signup sheet at the meeting but now that you have the details I'd appreciate it if you would confirm you will be going to the show. My email address is cyberguy44@gmail.com.

Thanks, and I look forward to hearing from you!

Jim Spore

Annual Picnic

For all of those who missed the past two meetings, the annual picnic will be held on Saturday, September 11, from 11 to 3 at the Myrtle Beach State Park. This event will be catered by a private Chef. The theme is "barbecue". The price is right at \$11 per person. The Club supplies water and soft drinks.

You must buy a Daily Park Pass to get into the park - the cost is \$8.00 pp for adults, or \$5.00 pp for SENIORS age 65 and older. There's also a yearly Park Passport available, which gets you into all the state parks, which you can buy on the park's website.

Please RSVP to me, SANDY SPARKS, Activities Director, by texting me at 854-854-0217 or by e-mail sas041251@yahoo.com. If you signed up at the last meeting, then I already have your name on the sign-up sheet and there's no need for you to RSVP again.

Checks need to be mailed in advance to MBCC, PO Box 4836, North Myrtle Beach 29597.

RSVP and send your check by September 7.

Thanks!

Sandy Sparks
Activities Director
