November 2021

Volume 11 Issue 11

Presidents Corner by Bob Dyke

Wow!!!

October was an incredibly busy and extremely rewarding month. The first weekend in October found a group of MBCC Members in Charlotte for the Queen City Corvette Show. Hendrick Motorsport Complex was the venue where 610 Corvettes were on display, along with the Heritage Center where Rick Hendricks personal collection is displayed. Mark your calendars for the first weekend of October 2022 for next year's Queen City Corvette Show. Unfortunately our Car Show/Cruise-in at the Carolina Ale House the following weekend was rained out. The third weekend found us in Ocean City, MD for the Free State Corvette Club Weekend Boardwalk Parade. Fantastic weather, great food, great friends, conversations, many laughs and driving the Boardwalk with thousands of spectators judging the loudest exhaust. There were over 600 Corvettes participating in the 1 hour and 40 minute parade and was enjoyed by all. Last weekend MBCC Members and 21 cars and Members from QueenCity CC met at Lulu's in Barefoot Landing for lunch and we have already scheduled an event for March, halfway between MB and Charlotte. October ended with 100 people enjoying the Halloween Party after a year's absence.

The first weekend in November finds 17 Corvettes enjoying our Hilton Head Trip. Thanks Jim and Sharon Spore. November 10th is a return display at Brightwater Senior Living which everyone enjoyed in May. Still time to join the group. The third weekend of November finds a smaller group in Ocala, FL for Corvettes of Marion County Car Show. Keep in mind the Venice Corvette Show in March. Registration usually fills up in December. A Fantastic show in a park setting in downtown Venice.

For those of you who haven't gotten bored and tuned out, why have I recapped all these events? These events are in addition to our weekly Cruise-Ins and I'm hoping to entice more members to join the many events available throughout the year. With the Pandemic hopefully in our rear view mirrors, let's look forward to once again participating in our local and other club's long distance events.

Planning is well under way for our 25th Anniversary MBCC Car Show. After a two year absence, all Members are requested to participate in the planning and overall execution to have a successful Car Show. Information and signup sheets are available at our monthly meetings or upon request.

As we enter the Holiday Season and possible travel to see extended family, please be careful and safe.

HAPPY THANKSGIVING!!

Bob

Sunday, November 14th, is our next meeting at Pine Lakes Golf Club, 5603 Woodside Drive, Myrtle Beach. We will have a delicious buffet dinner after the meeting. The cost will be \$23.00 per person and once again please bring a check for the proper amount...single person \$23.00 and if you are bringing someone \$23.00 x 2 = \$46.00. If a check is not possible, then please try and bring the proper denomination. I am asking this because there will be a limited amount of change on hand.

The doors will open for us around 4pm, with the meeting starting at 5pm and if we can stop Bob from rambling on, we should have a delicious dinner by 6pm. Just kidding Mr. President.

Please advise me if you are attending the meeting on November 14th at 5pm and if you are having Dinner OR if you are just attending the Meeting Only! Please email me at mjg330@gmail.com prior to Thursday, November 11th, so I can give a number to the staff at the club, but I will take last minute attendees.

Some people just showed up without notice. If everyone did this, we would not have the proper amount of food to feed everyone. So please be courteous and let us know, even if you know the Saturday before or even that morning that you will attend. If plans change and you said you will be attending and something happens unexpectedly, please just email me. I'm always monitoring the emails until I leave for the meeting.

The Pine Lakes Golf Club is also hosting our December meeting.

Hope to see a large attendance for the end of the year meetings and remember the funds we put in the bank by the end of the year, and build up our donations to our charities.

Thank you Everyone.

Mike Grabarz
VP MBCC

Editor's Notes - Reese Helms

These last months have been busy and the weather has been cooperative.

We have put together some of the largest Gazettes to date.

Let's keep this up, and keep sending those pictures, fun articles and other whatnots.

It seems like we have all maintained our health throughout the entire last couple years. As we quickly approach the holiday season, please stay vigilant and lets finish 2021 with all our members.

ALL SUBMISSIONS ARE DUE BY THE 28th of the month.

Please submit articles and/or pictures to:

vettegazette.mbcc@gmail.com

Membership Director - Patti Stone

Hello members,

We have had six new members join in October! Hopefully we will get the opportunity to meet them soon. Unfortunately, I was not at the October meeting to introduce new member, Min Hill, but understand she was welcomed by the club. We continue to grow by leaps and bounds. The current active membership is 316 total active members, 142 family, 28 single and 4 social members. In addition, we are happy to have 7 honorary members. We are also excited to celebrate the membership anniversaries of Bob & Sue Bourgeois and Joe & Becky Johnson, each with 5 years.

Please remember that dues for 2022 are due by December 31, 2021. Please mail your renewal checks (\$40.00 family, \$30.00 single) with memo "renewal" to:

MBCC
PO Box 4836
North Myrtle Beach, SC 29597

REMEMBER: New members receive their name tags and welcome packet at the monthly meeting after they join. Any new members who have not yet attended an orientation and therefore have not receive their packets and name tags, please let me know if you will be attending our next meeting in November. If any members have lost their name tag or have a new car they would like listed on new name tags, they can be ordered for \$10.00, just let me know. Our President, Bob Dyke, has MBCC cling-ons for your car for sale, made of static plastic which will not cause damage to the car. For optimal stick, dampen them before you adhere them to your car. The cost for these is \$22.00 for 2 cling-ons. I also have car decals (\$3.00) for purchase at all meetings.

If you attend a club event where members will caravan, please bring a two-way radio so you can communicate with others. Radios should be tuned to channel 8.

If there are any changes to your address, phone number or email, please let me know. I would hate to have you miss a notification of upcoming fun events or cancellations because we do not have your updated contact information. You can reach me at 336-432-4212 or email me at corvettelvrs@bellsouth.net. Please feel free to contact me with any questions, changes, or concerns.

Hope to see everyone at our upcoming November meeting. As we all celebrate the upcoming Thanksgiving holiday and reflect on all our blessings, we can count our club as one of those blessings. We have a wonderful, active club, great members, growing in membership each month, whom all share their love for America's sports car, Corvette. Enjoy driving those beautiful Corvettes!

Car Show Director - Linda Meaders

Preparations have started for the 2022 car show which will be held at Broadway at the Beach on June 4. Friday night will be the kickoff with a welcome party at Landmark Resort located at 1501 South Ocean Blvd in Myrtle Beach. This party is an opportunity for us to mingle and introduce ourselves to members of other Corvette Clubs that come from all over the east coast and midwest.

In the past, we have had over 300 cars, with as many as 42 Corvette Clubs attending. The event has grown through the years and we are striving to continue that trend.

It's time for the members to get an early start on soliciting sponsors, donations and vendors. We need lots of volunteers to work the car show. I have started some sign-up sheets which will be available at each meeting up until May. The sign-up sheets are for: Registration, Parking, Judging, 50/50, trophies, tricky tray baskets and front gate. We are also looking for donations from members for our basket of cheer. If you are interested in volunteering but not sure what you'd like to help with, there's another sign-up sheet to just "volunteer yourself where needed!" If you would like to be put on any of these committees or have any questions about the show, please email me at lmeaders@frontier.com.

If anyone is aware of vendors who would like to participate in the 2022 car show, let me know. We are hoping to get some return vendors this year, but we are always looking for new vendors. Our vendors can be non-car related as well as car related.

I have prepared a trophy sign-up sheet as well. We need trophies sold or bought. We prefer you to sell trophies to local businesses. The business will have their name imprinted on the trophy as a sponsor. Once again, the purchase is tax deductible. If you do not like selling, you can purchase trophies yourself. I will be emailing the trophy list within the next couple of weeks. As of this date, several members have already purchased trophies.

We hope to have the registration information up and running by January so please check the website for the flyer and the forms relating to the event as it gets closer. I will be reporting in the Vette Gazette with the progress as we go forward with this great show. But we need the participation of all our club members to help us achieve our goals. The Car Show Committee members can't do it alone. Let's make this show the best and the biggest yet.

Linda Meaders
2022 Car Show Director

NCM Ambassador - Ron Kocheran

Hi Folks,

If anyone is going or is already out there, The Tunnels to Towers Exhibit would be a must see. Unfortunately it's only at the museum until November 9.

Tunnels to Towers Exhibit

We are thrilled that you will be here for the memorable exhibit Tunnels to Towers on display through November 9th.

In 2013, the Tunnel to Towers Foundation launched its 9/11 NEVER FORGET Mobile Exhibit; a tribute to all those who lost their lives on September 11, 2001, including, of course, the 343 members of the FDNY who made the ultimate sacrifice. The high-tech, 53-foot tractor-trailer, which transforms into a 1,000 square foot exhibit, is a tool to further educate citizens throughout the country about the events of that tragic day. Please carve time out of your schedule to see this. Read more about this event experience

This month's Trivia question is, when did the Bowling Green Corvette plant actually open?

1981! That's a lot of Vettes built till now!

Below are our currently active raffles. Participants must be 18 years old with a valid driver's license. For additional information regarding National Corvette Museum raffles, visit raffle.corvettemuseum.org

Member Spotlight - Wayne Zydiak

Since the late 1960's Corvettes have always been part of the Zydiak family. Current member of both Central NJ Corvette club and Myrtle Beach Corvette club. We have lived in Murrells Inlet for the past 4 years.

Most recently I have owned a 2004 C4 customized Blue Coupe and as well as a 2014 Premier Edition C7 Limerock green Z51 Convertible. The convertible was a limited run of only 550.

I had to part with the C5 due to lack of garage space when my partner, Callie, purchased a 2007 C6 Convertible. On the bright side, we continue to be a two Corvette household.

Six Vettes from MBCC headed out on Oct. 30th to attend the Cape Fear Club show in Southport, NC. Great drive out and we couldn't have asked for better "SHOW" weather!! Scenery was lovely and it was great to spend time getting to know more of our members.

Myrtle Beach really did shine today!!! 158 cars in attendance. They awarded top 40 and then a few specialty trophies.

I was a bit scared when I walked past car #23!! OH nothing to be scared about... it won an award for best Halloween decorated car... guess who..... Joan & Gordon Bottom. Wayne & Rebecca Rhodes won Best 1997 to Present. They also took a top 40 award, along with Dave Gaskin, Rick Serfass and new member Randy (who just joined a week ago).

I have announced I was planning a trip to Hilton Head for the Concourse de Elegance car show on Saturday November 6th and Sunday the 7th. There will be a different group of cars each day as well as an exhibit of antique airplanes. The Concourse shows are different from your average show in that exhibitors need to apply and be accepted to show their vehicles. The Concourse shows also differ from the average car show in that many of the cars are extremely rare classics and often one-of-a-kind vehicles that could be in the 6 maybe even the 7-dollar figures. You will also see some high end manufactures like Porsche, Lamborghini, Maserati and others displaying their latest models.

The show is November 6th and 7th but we will leave on Friday the 5th and come home either Sunday the 7th or Monday morning the 8th. Staying Sunday night is optional. I have reserved a block of rooms at the Holiday Inn Express where we have stayed twice before. The nightly rate total is \$143.19 which is all inclusive. There is a complimentary breakfast, a gym, and an outdoor pool where we have been known to have a Happy Hour before dinner every night. And yes, I will make arrangements for Friday, Saturday, and Sunday dinners for everyone that does not go home after the show Sunday. You will be responsible for calling the hotel to make your reservation. Their phone number is 843-842-6662. Make sure you tell them you are with the MBCC and how many nights you will be staying. Cut off for making reservations is October 6th.

Tickets for the two-day show will be \$90 per person. That's \$45 per day. I will order them the first week in October and hand them out to everyone in Hilton Head. You can send a check made out to me for the tickets. Our address is 513 Montaigne Ct. Calabash, NC 28467. I know there has been an "are you interested" signup sheet at the meeting but now that you have the details I'd appreciate it if you would confirm you will be going to the show. My email address is cyberguy44@gmail.com.

Thanks, and I look forward to hearing from you!
