Presidents Corner by Bob Dyke

HAPPY NEW YEAR

The year 2021 started off slow due to the Covid 19 Pandemic and forced the cancellation of our annual Car Show. The second half of the year improved dramatically, allowing MBCC Members to participate in Cruise-In's, Mystery Cruises, Local Car Shows and travel to the National Corvette Museum and various out of town Car Shows. As we exited 2021, the MBCC presented our charities a combined total of \$12,000 and donated at our December Meeting a huge mound of toys along with checks to the Toys for Tots Campaign. Thank You and Congratulations to all our members who participated.

Entering 2022, planning for our 25th Annual Car Show is well under way. Sign-up sheets have been available at the monthly meetings and for those unable to attend the last couple of months, please reach out to Car Show Chair, Linda Meaders. In addition, a Sandifer/Hadley Mystery Cruise has been announced to applause at December's meeting. As the year 2022 unfolds, I look forward to all members participating in the various activities throughout the year.

REMINDER: Membership renewal was due January 1st but we have a short grace period. If need be please send your renewal check now. We don't want you to miss out on the events and activities scheduled for this year.

"HAPPY NEW YEAR TO ALL"

Joe Worts - VP

I want to thank everyone who attended our last monthly meeting. Each meeting helps everyone to get to know each other and be informed on our future events.

This year will be our most event filled year, including the 25th annual car show. Our nine monthly meetings are there for all of us to have input for each event. To make planning easier for our members this year, our club will be only using two locations. Pine Lake County Club and Barefoot Landing County Club.

In January, there will not be a meeting because of the annual holiday party on January 15th. Our next club meeting will not be on the second Sunday in February, because of the Super Bowl. We moved the meeting date to the 20th of February at 5:00. If you are attending and staying for dinner, the price per person is \$23.00. RSVP is needed (Jpwhvac@gmail.com or 302-344-0206). Please also RSVP if you will be attending the meeting only (no dinner). We need a head count to set the room for seating. An email will follow soon with all of the future dates, locations and times for all our meetings.

Hope to see you all at our holiday party and have a happy New Year.

Joe

Editor's Notes - Reese Helms

As I sit here typing this I find that I am not sad to see 2021 go!

The Club exploded during 2021 and that means that 2022 is going to be the biggest, best, wildest, most fun..... Let's just say that I am super pumped up and I hope each and every one of you are ready!!!!

In closing, I hope that 2022 is wonderful for each of you. I look forward to an amazing year!

Happy New Year members!

How exciting to be starting a new year, 2022! That is exactly what it is for all of us, a new start. We all have goals and dreams for this new year. Let's plan for one of them to be making our Corvette Club the best it can be. Whatever it is, big or small, plan to volunteer your time and talents to our club in some way this year. It will be so rewarding, a chance to meet and get to know fellow members and most importantly, much appreciated by the club.

At our last meeting we had the pleasure of meeting new members David and Hiliary Whitt. Please make sure you continue to make them feel welcome. As we continue to grow, please take a moment to speak and welcome all our newest members. I am unable to give you the current active membership for this month due to some members resigning, one has changed from Honorary to family membership, members still owe for this year, and one member passed away. With all this being said, I will have current figures for February. I do not think, and certainly hope, our current membership will change much since we also have new members joining starting in January. Thank you for your understanding in this matter. Please remember that dues for 2022 are due by January 15, 2022. You may remit payment by mail to the PO Box mentioned below or pay by credit card on our website: <https://myrtlebeachcorvetteclub.com/> where the renewal is on the membership page. If you choose to mail your renewal checks (\$40.00 family, \$30.00 single), please write "renewal" on the memo line and mail to:

MBCC
PO Box 4836
North Myrtle Beach, SC 29597

Membership Director - Patti Stone

After the above date, you will have to pay the full amount (\$60.00 family, \$40 single) as if you were a new member. So, please take time today and pay your membership dues to avoid having to pay the extra amount of money. Thank you.

REMEMBER: New members receive their name tags and welcome packet at the monthly meeting after they join. Any new members who have not yet attended an orientation and therefore have not received their packets and name tags, please let me know if you will be attending our next meeting in February.

If any members have lost their name tag or have a new car they would like listed on new name tags, they can be ordered for \$10.00, just let me know. Our President, Bob Dyke has MBCC cling-ons for your car for sale made of static plastic and will not cause damage to the car. For optimal stick, dampen them before you adhere them to your car. The cost for these is \$22.00 for 2 cling-ons. I also have car decals (\$3.00) for purchase at all meetings.

If you attend a club event where members will caravan, please bring a two-way radio so you can communicate with others. Radios should be tuned to channel 8

Car Show Director - Linda Meaders

We are getting excited as the New Year is approaching and we are heading towards our 25th anniversary car show which is less than 6 months away.

I'm happy to say that there have been numerous clubs that have shown an interest in attending our show, at least 20 clubs that have never attended it before. So we are definitely ramping up for a very big show. But this cannot be done without YOUR help. In the past we have had as many as 80 volunteers from our club helping in some way with the show. That's what we need again. So please try and step up to help with this great show. There is always something to do. If you don't know where you want to help, then just let me know and I'll put your name on the list that says: I WILL VOLUNTEER TO HELP WHERE NEEDED.

We still have trophies available for sale for best interior, best engine, most extreme, best custom, furthest traveled, survivor, modified and mayor's choice.

Yes, the mayor of Myrtle Beach, Brenda Bethune, has accepted the offer to attend our show.

We are in need of vendors and sponsors for the show as well. As I've said before, if you know anyone, car related or not, that is interested in showing their wares, please let me know. The NCM has committed to be there, as well as State Farm, Advanced Auto, Leaf Filter, a shirt vendor from Indiana, and a shop owner in Conway that will be making Corvette and beachy related souvenirs.

So, if you have any questions, please contact me at lmeaders@frontier.com or 843-340-1731

NCM Ambassador - Ron Kocheran

Hi Folks, I hope everyone had a great holiday. Here's some important information from the Museum regarding the recent tornado, as well as the current raffle offerings Good luck in 2022!

During the historic storms on December 11, 2021, the National Corvette Museum was spared any significant damage. All staff – National Corvette Museum, NCM Motorsports Park, and NCM Insurance – were reported as safe.

Fifteen hours after the events, the curatorial team verified that all the artifacts and vehicles in the collection were reported secure. Thirty-six hours after the storm, all individuals with an artifact on loan to the Museum were notified that their loaned items were not in harm's way.

While much of the storm damage was isolated to the Museum's Amphitheater, the Museum was closed over the weekend while crews restored power, cleared roadways of debris, and ensured that our areas were safe once again. We appreciate the calls, e-mails, and check-ins on our staff and institutions. Our closure was necessary due to the circumstances, but we apologize for any inconvenience you may have encountered and appreciate your patience as we work through this unprecedented situation.

Unfortunately, the NCM Motorsports Park did not have the same fate as the Museum. The Motorsports Park is temporarily unsafe to welcome guests, and all activities are suspended until further notice. Insurance adjusters and crews have begun the assessment and clean-up efforts to help determine our rebuilding plan of the affected areas.

Our hearts are with those across the Commonwealth who these storms have impacted. Anyone who wishes to assist the Bowling Green community can learn to support by visiting bgky.org.
