Volume 12 Issue 3

Presidents Corner by Bob Dyke

As we drive into March we have many items and events to look forward to. More consistent warm weather, longer hours of daylight and sunshine and the return of Cruise-Ins and Car Shows. Last Saturday (from when I'm writing this) we enjoyed fantastic weather and a very large group of Corvettes and other vehicles at Famous Hamburger Joe's, a new sponsor of the MBCC. We will once again attend at least one local cruise-in a month where we can display our cars and enjoy the fellowship of fellow car owners. This year will see the return also of many of the car shows cancelled the last two years, including the Myrtle Beach Corvette Show taking place June 4, 2022, at Broadway at the Beach. Car Show Director Linda, with tremendous assistance from Gwenn McDaniel, has reached out to probably every Corvette Club and maybe even every Corvette Owner East of the Mississippi.
Three years ago at this time period we only had about 12 registered Corvettes. We already have received in excess of 80 registrations. Thank you to Linda and Gwenn for getting us started in a big way. The Club needs all of its Members to help out and volunteer for our 25th Anniversary Car Show. Thanks in advance.

The Month of March we start ramping up the activities with 8 MBCC Corvettes traveling to Venice, Florida, for their car show which sold out in three weeks this year. It is always an enjoyable event. The same weekend Gerry Gismondi will be leading a large group to Cape Fear Corvettes 12th Annual Car Show. Please contact Gerry if interested.

SAVE THE DATE…….APRIL 3, 2022

It has already been announced, but a Dave Sandifer/Norma Hadley ROAD RAYLLE is a can't be missed event.

There are many Car Shows, Cruise-in's, Road Rallies, Club Meetups, our Annual Picnic and events scheduled and not even scheduled yet. Please refer to our website calendar for events to enjoy. If you have an idea, place or event in mind, please share with us to be considered. Remember, this is YOUR CLUB. We want you to enjoy your membership in the Myrtle Beach Corvette Club.

Joe Worts - VP

Hi everyone, it's was great to see such a large turn-out at our February meeting. As we all heard at the meeting, the 25th annual car show is well underway in its planning stages and we need everyone to pitch in to lend a helping hand.

The March meeting is being held on Sunday the 13th at Barefoot Landing Golf Resort. As always, RSVP is required to have the proper seating. When you RSVP me, just let me know if you will be attending the meeting only or also staying for dinner as well. The price is the same at $23.00 per person. There is a cash bar for your convenience. The dinner menu for this meeting will soon follow.

You may text me at 302 344 0206 or email me jpwhvac@gmail.com.

Looking forward to seeing all of you soon.

Joe

Editor's Notes - Reese Helms

Well, I thought that much like last year, this year was going to be an early warm up. The colder weather recently has given some people time to finish last minute projects, maintenance or even take delivery of a new ride.

As we approach the warm season, the calendar is steadily piling up with events. I know there is or will be something for everyone!

While I find myself saddened by the closure and loss of Milardo's, I am excited for another great restaurant/cruise-in spot and personally can't wait for the opportunity to try it out.

I am also excited to say that thanks to member contributions and a busy upcoming Spring this is the longest edition (at 38 pages) I have ever produced! THANK YOU ALL for your support!

ALL SUBMISSIONS ARE DUE BY THE 28th of the month.

Please submit articles and/or pictures to:

Membership Director - Patti Stone

Hello members!

Happy March to everyone as we celebrate St. Patrick's Day. We are all Irish on that day. I saw a saying recently, "Lucky me, Lucky you, Lucky together". It made me think about our club, and how lucky we are to enjoy our corvettes together on this beautiful coast of South Carolina with all our many social events, cruise-ins, mystery cruises, car shows and the wonderful fellowship we share at our meetings and many events throughout the year. As the Irish Blessing goes, "May your troubles be less, your blessings be more, and nothing but happiness come through your door."

The current active membership as of this month is 262 members, with 119 Family, 20 Social, 4 Social and 5 Honorary. At our February meeting we had the honor of meeting and welcoming new members David and Ann Vennell, John and Linda Morrison, Dwight and Pam Ihling, Brian and Diane Garforth, George and Emily Knouse and Joe DeFrancesco (his wife Sue was unable to be with us). Please continue to make them feel welcome as we do all our new members. Believe it or not, we still have 8 new memberships (both family and single) we have yet to meet, as they have not had the opportunity to attend a club meeting. Hopefully they will be able to attend a meeting real soon so we can have the pleasure of meeting and welcoming them to our club.

We are celebrating the following Club anniversaries:

February:
Les and Darlene Couper 5 years

March:
Gary & Kathy Clifford 10 years

Membership Director - Patti Stone

REMEMBER: New members receive their name tags and welcome packet at the monthly meeting after they join. Any new members who have not yet attended an orientation and therefore have not received their packets and name tags, please let me know if you will be attending our meeting in February.

If any members have lost their name tag or have a new car they would like listed on new name tags, they can be ordered for $10.00, just let me know. Our President, Bob Dyke, has MBCC cling-ons for your car for sale made of static plastic and will not cause damage to the car. For optimal stick, dampen them before you adhere them to your car. The cost for these is $22.00 for 2 cling-ons. I also have car decals ($3.00) for purchase at all meetings.

If you attend a club event where members will caravan, please bring a two-way radio so you can communicate with others. Radios should be tuned to channel 8.

If there are any changes to your address, phone number or email, please let me know. I would hate to have you miss a notification of upcoming fun events or cancellations because we do not have your updated contact information. You can reach me at 336-432-4212 or email me at corvettelvrs@bellsouth.net. Please feel free to contact me with any questions, changes, or concerns.

Hope to see everyone at our upcoming meeting this month. Stay safe and enjoy those beautiful Corvettes! Wishing each of you the “Luck o’ the Irish.”

Car Show Director - Linda Meaders

You can't imagine how excited we are about the registrations that are coming in

So far we have clubs registered from: Al, DE, FL, GA, KY, MD, NC, OH, SC, TN, WV, and VA

We have a total of 91 pre-registered, of which 20 are our club cars.

The email blasts that Gwenn McDaniel sent out Feb. 1st, and you all should have received, were amazing. I believe that's what has helped the registrations coming in. I have also received calls from corvette owners from MI and DC and they heard about our show from our participation at the Freestate show in Ocean City MD.

Thank those of you who brought wine, alcohol and candy to our February meeting. We're off to a great start.

All club members that attend will be asked to bring a case of water to the car show. This is so that we make sure all of our participants and our volunteers are hydrated all day.

We still need members to register. It is very important that we have a presence of our cars at our show. We have over 300 members which means we have a minimum of 150 cars. I would like to think that we could have 100 of our own cars at our show. In 2018 we had 62 club members at our show.

We will be having 2 lots. Pre registered will be lot 3 and Day of Show will be in lot 4. These lots are located behind Dave and Busters at BATB. Cars will be parked by club rather than class which will make it much easier on our judges. The judging will start at 10:00 rather than 12 so we should be finished before 3:00. We usually have the largest ALL Corvette show in the Southeast US.

We only have 8 vendors committed right now but really need more. So if you know anyone that would like to set up a booth, which doesn't have to be car related, we are welcome to have them. Just check with me first and I will walk you through what we need to do. It's $50 for a 10x10 space. They must supply their own canopy, table and chairs.

The trophies that are still available for sale are : Survivor $19, Club Participation $19, and 3rd place Modified for $17. We still have (18) Class winner trophies left to buy and they are

Car Show Director - Linda Meaders

As of now, we could still use some help with parking. There are sign-up sheets here at the table. There is always somewhere you can help, so if you're interested in doing something but not sure what, just let me know.

The trophies that are still available for sale are: Survivor $19, Club Participation $19, and 3rd place Modified for $17. We still have (18) Class winner trophies left to buy and they are $22.00 each. We are ordering 300 dash plaques as well and they are costing $3.00 each so we will need help with that too. I will be able to order more dash plaques at the last minute if we feel we need more.

Also, please understand that even though you are a volunteer for the show there will still be a registration fee for your car. Our host cars will be parking in a designated area and we will be judged 1st, 2nd and 3rd place from the other participants. There will be a voting ballot in their packet. What's most important to understand is that this is a charity event. The biggest one we have all year. You do not have to have a judgable car to participate. All you need to do is park it and pay your registration fee, preferably prior to the show. We don't care if you have to put it on a flatbed trailer and haul it to the show and park it! It's a Corvette, and we need your presence there.

Volunteers are needed to help set up tables and chairs early Saturday morning and take them down so we can leave the venue the way we found it and we all work together.

Our committees have been working non-stop to get the show moving and a big Thank You to all that are helping.

The Myrtle Beach Corvette Club (MBCC) is a group of Corvette owners and enthusiasts who live and work along the Grand Strand. We meet monthly and support various charity events in Horry County and Georgetown County in South Carolina, and Brunswick County in North Carolina throughout the year.

"Corvettes at Myrtle Beach" is the official name of our annual Car Show fund raiser. This is the 25th Annual event being held on Saturday, June 4, 2022 at Broadway at the Beach. Show participants come from all along the East Coast (Florida to Maine), Ohio, Kentucky, Indiana, Missouri, Tennessee, Kansas, Texas and as far north as Canada. The show is open to the public with no admission fee. **MBCC is a 501-c-3 charity** (tax ID# 80-0902100) and our primary purpose is to raise contributions to support charities located in the counties mentioned above.

Our 2022 Car Show charities are:

CANINE ANGELS a 501-c-3 non-profit organization that rescues dogs from shelters and rehabilitates them. They train service dogs for disabled veterans and certify handler/dog teams. They also train dogs for children with autism and down syndrome, and firefighters and first responders with PTSD.

CONWAY QUILT GUILD a 501-c-3 non-profit organization whose mission is to promote fellowship, inspiration and the perpetuation of all quilting techniques, to sponsor and support quilting activities that are of service to our community. They donate quiltlets for newborns, comfort quilts and pillow cases for oncology patients, animal beds for Horry County Animal Shelter, breast cancer pillows, walker bags, adult bibs, Covid masks, and honor Veterans with Quilts of Valor.

We have three types of sponsorships available plus additional ways to support the event:

CAR SHOW SPONSOR: $100 - We will provide to all car show participants any flyer, coupons or informational material you provide on your products or service.

EVENT SPONSOR: $300 - We will provide to all car show participants any flyer, coupons or informational material you provide on your products or service. If your company has a web page, we will post a link from our web page to yours and list your business in our newsletter for one year. **You will be presented with a plaque showing our sincere appreciation for your support shortly following the event.**

EVENT SPONSOR - RESTAURANT: $400 - We will provide to all car show participants any flyer, coupons or informational material you provide on your restaurant. If your restaurant has a web page, we will post a link from our web page to yours and list your business in our newsletter for one year. We will set up a cruise-in one day every month for our club members to dine at your restaurant. We cannot guarantee the number of participants that will attend. **You will be presented with a plaque showing our sincere appreciation for your support shortly following the event.**

Every year, our members Wayne Zodiac and Callie Eagle set an extremely large train garden in their home. There are at least 4 trains running at the same time. Of special interest to our members is a red, white and blue locomotive pulling flatbed cars loaded with every generation of Corvette. On the side of the locomotive you can see our Club's logo and to the rear is the Corvette Central logo. In was indeed a special treat to watch everything in motion.

Is this the C9 Corvette you envision? This was sent to me by my brother. I think all you Corvette Lovers like myself that have not seen this would enjoy reading what GM has on their mind for our Beloved Corvette's future. Enjoy.

C9: Our vision of the electric Corvette to come

Electric propulsion is all but guaranteed for the eventual C9 Corvette. With that in mind, we've assembled a team of expert designers to lead us down the rabbit hole of what the next chapter of America's sports car could (and should) look like.

Jeff Estes was kind enough to share some “soy photos” of Bob Dyke and his Security Team taking delivery of his new C8 Corvette at the Corvette Museum.
