PRESIDENTS MESSAGE

THANK YOU VOLUNTEERS

The 25th Anniversary Myrtle Beach Corvette Club Car Show was our largest with 36 Clubs and Individuals displaying 356 Corvettes from as far away as Illinois, Kentucky, Ohio and Louisiana. We hope you enjoyed the last Vette Gazette featuring our Car Show Weekend and Volunteer Appreciation Picnic.

I would like to congratulate you, the members of the MBCC, who volunteered your time and efforts to make our recent Car Show the largest and greatest. Thank you very much also to Linda Meaders who stepped up to lead for the 8th time. The Car Show Director position is in need of a volunteer to step forward to lead the 26th Annual Car Show. Contact me, Donna Maisano or Linda Meaders for information.

The MBCC Website is a great resource for current and upcoming meetings and events on our calendar and listings for the remainder of the year. Under the Photos tab, enjoy the photos from our recent events including the Car Show and Appreciation Picnic. Thank you Kevin Goettl for posting in a timely manner.

Registration is available online for two very popular car events. Queen City Corvette Club, Charlotte, NC, taking place October 1, 2022. They are expecting in excess of 600 Corvettes again this year and the Hendrick Museum is a must visit event. October 15, 2022, finds us in Ocean City, MD, for the Boardwalk Parade which last year lasted 1-1/2 hours displaying in excess of 600 Corvettes. There may be a constraint on the number of cars this year, so register early.

Santo Fiorillo - VP

Let me begin by thanking everyone for the support we received in organizing and kicking off our 25th Anniversary 2022 annual MBCC Car Show; it was a smashing success. To all the committee heads, the committee volunteers, the members that donated stuff for the baskets and all who sponsored trophies, we thank you. Without the overwhelming generous contributions of our members, moral support and the leadership of our coordinators, we could not have pulled this off.

Our upcoming July 10, meeting will be held at Barefoot Resort Golf Club, 4980 Barefoot Resort Bridge Rd., North Myrtle Beach 29582. As always, the meeting is RSVP. This allows our host venue to properly prepare tables, chairs and ample refreshments for our members. The doors will open at 4:00, meeting begins at 5:00, dinner to follow. Please respond as soon as possible whether you will attend **“Meeting only”** or **“Meeting and Dinner”** and how many people. Please email responses to santofiorillo@gmail.com or text me at 603-738-8966. The cost is 23.00 per person.

The July 10 meeting will be a time for us to get together, catch up and talk about the car show's success and begin to look forward to the 2023 show.

In the July meeting we had 100% participation of those members that responded, whether they came for the meeting only or meeting and dinner. It would be great if we could repeat that in the July 10 meeting and every meeting after that.

It's a once a month opportunity to socialize and catch up with some of the members that we don't see often, whether it's distance or just "life". Jeanine and I always look forward to it.

Looking forward to seeing many of you on Sunday July 10 😊

Santo

Donna Maisano - Secretary

Dear Members:

I hope everyone is enjoying their summer and looking forward to the upcoming events that are planned for our club.

I am writing to let you know that as Nominations Committee Chairperson I am respectfully asking for nominations for the board positions that are coming up for renewal in November. The positions that we are seeking nominees for are Secretary, Car Show Director, Activities Director and National Corvette Museum Ambassador. I am pleased to advise that Robert Dyke and Reese Helms have indicated that they would be willing to remain in their positions for another two-year term.

As many of you are aware, Linda Meaders has done an outstanding job as Car Show Director in 2022 and for several years in the past, and assumed the role this year when the position was vacated. She did an outstanding job making our show a tremendous success and, along with Betty Freedman and all of the volunteers, the show exceeded all expectations. She has extensive knowledge in what this role entails and would be happy to share her knowledge with anyone who is willing to take over the job. This is a voting Board of Director position which would assume the responsibility for two years starting in January 2023.

Sandra Sparks has held the position of Activities Director for the past two years and has organized many fun events for our members including pop up's, the club picnics, two wonderful holiday parties and many more. This is also a voting Board of Director position and you are free to form sub-committees and delegate members to assist with organizing and running activities.

Ron Kocheran has also done a wonderful job keeping us informed of all of the activities and events at the National Corvette Museum. Although this role is not a voting Board of Director position, it is one that provides the club with important information on all of the events at the National Corvette Museum.

I have held the position of Secretary for two terms and am required to end my tenure at this time. During my term I have been honored to be a part of this board and become active in the club. This is a wonderful opportunity to get to know all of the members and take part in keeping our club informed about meetings and any changes that are proposed. I would be more than happy to provide a detailed explanation of this position, as well as the others, for anyone who is willing to become a nominee.

If you are interested in getting more involved in our club, we need you! All nominations must be made at the October meeting and voted by the membership at the November meeting. Please contact me or Bob Dyke to answer any questions you might have or to advise of your interest in becoming a board member.

Thank you for your consideration.

Editor's Notes - Reese Helms

Well after an amazing car show what is next!!!!

Trends show that as a club during the summer months when the heat is up we tend to slow down. Of course there is always travel and family this time of year but remember that there are many local events taking place. If you hear of an event or cruise-in, please share so we can all have the option of attending. Also, North Myrtle Beach Dragway has recently reopened for those of you that want to see how fast your car really is!!!!

As Donna has stated we have a few open positions on the board. This club is successful because of membership participation. Please reach out - the current sitting member all be glad to help you in your transition.

Thank you all for the contributions as always.

ALL SUBMISSIONS ARE DUE BY THE 28th of the month.

Please submit articles and/or pictures to:

Membership Director - Patti Stone

Hello members!

Happy July to everyone as we celebrate our nation's 246th birthday. Enjoy your holiday celebrating with family and friends. Happy Birthday America!!!!

The current active membership as of this month is 271 members, with 121 Family, 25 Single, 4 Social and 5 Honorary. Please continue to make our new members feel welcome. Believe it or not, we still have new memberships (both family (6) and single (6)) we have yet to meet as they have not had the opportunity to attend a club meeting. Hopefully they will be able to attend a meeting real soon so we can have the pleasure of meeting and welcoming them to our club. We have also had several email inquiries about joining our club and how to go about doing that.

We also celebrate the following anniversaries: June: 5 years Jack Roemer & Laura Mendoza, and 5 years John and Karen Burke. July: 20 years Fred and Diane Sansbury, 5 years Bob and Margie Parks.

REMEMBER: New members receive their name tags and welcome packet at the monthly meeting after they join. Any new members who have not yet attended an orientation and therefore have not received their packets and name tags, please let me know if you will be attending our meeting in July.

If any members have lost their name tag or have a new car they would like listed on new name tags, they can be ordered for \$10.00, just let me know. Our President, Bob Dyke, has MBCC cling-ons for your car for sale made of static plastic that will not cause damage to the car. For optimal stick, dampen them before you adhere them to your car. The cost for these is \$22.00 for 2 cling-ons. I also have car decals (\$3.00) for purchase at all meetings.

If you attend a club event where members will caravan, please bring a two-way radio so you can communicate with others. Radios should be tuned to channel 8.

If there are any changes to your address, phone number or email, please let me know. I would hate to have you miss a notification of upcoming fun events or cancellations because we do not have your updated contact information. You can reach me at 336-432-4212 or email me at corvettelvrs@bellsouth.net. Please feel free to contact me with any questions, changes, or concerns.

Hope to see everyone at our upcoming meeting this month. Stay cool and safe and enjoy those beautiful Corvettes!

Charity Presentation at the Car Show - Maggie Hood

As the Charity Liaison, I would like to thank all the club for their support for our Charities, Conway Quilt Guild and Canine Angels. As you know, the proceeds for the Car Show go to support the Charities and they are both very grateful. Both Charities are supported by charitable donations and will put the donations from the club to good use. The charities commented to me how respectfully they were treated by the people at the car show and very much appreciated it.

Thank you again for your support.
