Presidents Corner by Bob Dyke

Happy Fall Y'all

The Summer is behind us now and we are well into the Fall season. At the time of this writing we are looking forward to a very busy Car Show and Cruise-In season. Unfortunately, we are still in Hurricane Season and IAN has forced Queen City Corvette Club to postpone their annual car show till October 29th. Prior to that, a group of us are attending the Free State Corvette Club Boardwalk Parade in Ocean City, MD. This is always an extremely enjoyable event displaying our Corvettes while driving the boardwalk.

We also have a joint luncheon with Queen City Corvette Club on Saturday October 22nd at Lulu's Restaurant at Barefoot Landing. Both clubs had an excellent turnout last year for an extremely enjoyable lunch. New members would find this a terrific way to meet fellow members.

I realize not everyone cares for Facebook, but our page has a combination of useful information from the National Corvette Museum, upcoming events, and pictures posted of ongoing events. Photos and a Calendar of Events are also available on our website.

Our Annual September Picnic this year was hosted by Barbara and Hank Grenfell at their estate in Loris. Although rain was in the forecast, Hank was kind enough to move his airplanes out of the hangar to allow the MBCC members to enjoy food and conversation in the dry hangar. I also congratulated the four members who drove their Corvettes to the picnic, well done. Thank you very much to Barb and Hank.

Hope to see everyone at the October meeting as we have a number of items on the agenda to discuss.

Greetings to all of you. I hope everyone has had a great summer.

With fall arriving and Halloween quickly approaching, don't forget about our yearly Halloween party. It's always allot of fun. Be on the lookout for emails.

Our upcoming club meeting will be on October 9. It will be held at Pine Lakes Country Club. As always our meetings are a time to gather, discuss old, new and future events, and let's not forget catch up with old and new friends on the summer's events.

Looking forward to seeing you all

Thank you
Santo Fiorillo
VP MBCC

Editor's Notes - Reese Helms

Wow... That was quite a storm. Many many people both locally and far have been displaced and/or devastated. If you can reach out to someone in need, remember help isn't always financial, it can be a kind hearted "check-in" or an offer to assist with clean up.

Remember the Queen City Corvette Club has been rescheduled for the end of the month!

ALL SUBMISSIONS ARE DUE BY THE 28th of the month.

Please submit articles and/or pictures to:

vettegazette.mbcc@gmail.com

Membership Director - Patti Stone

Hello members!

Happy Fall y'all! Loving these cooler temperatures! I read something cute on Facebook that said, "Fall in the South consists of pumpkins, mosquitos, humidity, shorts, and flip-flops. It is basically summer, but with pumpkins." Since I have been living in SC, that just about sums it up for Fall in the Myrtle Beach area. Enjoy Fall and these cooler temps while they last. LOL

The current active membership as of this month is 296 members, with 132 Family, 28 Single, 4 Social and 5 Honorary. Believe it or not, we still have new memberships (both family (10) and single (7)) we have yet to meet as they have not had the opportunity to attend a club meeting. Hopefully they will be able to attend a meeting real soon so we can have the pleasure of meeting and welcoming them to the club.

REMEMBER: New members receive their name tags and welcome packet at the monthly meeting after they join. Any new members who have not yet attended an orientation and therefore have not received their packets and name tags, please let me know if you will be attending our meeting this month. We meet at 4:15PM before the meeting starts at 5PM.

If any members have lost their name tag or have a new car they would like listed on their name tag(s), they can be ordered for \$10.00 each. Please just let me know. Our President, Bob Dyke, has MBCC cling-ons for your car for sale, made of static plastic and will not cause damage to the car. For optimal stick, dampen them before you adhere them to your car. The cost for these is \$22.00 for 2 cling-ons. I also have car decals (\$3.00) for purchase at all meetings.

If you attend a club event where members will caravan, please bring a two-way radio so you can communicate with others. Radios should be tuned to channel 8.

If there are any changes to your address, phone number or email, please let me know. I would hate for you to miss a notification of upcoming fun events or cancellations because we do not have your updated contact information. You can reach me at 336-432-4212 or email me at corvettelvrs@bellsouth.net. Please feel free to contact me with any questions, changes, or concerns.

Hope to see everyone at our upcoming meeting and Halloween party. Stay safe and enjoy those beautiful Corvettes!

Charities - Maggie Hood

Charities Nominated for 2023

We have six Charities nominated by members for consideration next year.

Associated Charities

Associated Charities is a 70 year old volunteer-operated charity that assists the homeless and impoverished in the Myrtle Beach, SC community. The organization is run completely by dedicated volunteers who give their free time to help keep the programs going to meet the needs of our community. They have two days a week, that the homeless and those in need can come. One day they can fill a bag at no cost and the second day they can fill a bag at a very low cost. All donated items are given to those in need. **The money we give will support special programs, such as bike locks, diaper bags, bags for vets and the homeless.**

Bikini Beach Cat Rescue

All funds raised for Bikini Beach Cat Rescue goes towards low-cost spay/neuter clinics to help animal parents and caretakers of feral cat colonies in need of assistance. To date, they have done more than 9,000 reduced-cost spay and neuters of cats and kittens for the community. Free-roaming cats are a huge problem everywhere; recent estimates for Horry county is about 140,000 free-roaming cats and about 47,000 for Georgetown county. The Humane Society estimates that a breeding pair of cats and their kittens can produce more than 400,000 cats and kittens over 7 years. **The money we give them will go to the spay and neutering.**

Canine Angels

Canine Angels is a Charity that Rescues dogs from shelters and rehabilitates them. They train service dogs for disabled veterans and certify handler/dog teams. Train Dogs for Children with Autism and Down Syndrome. Train dogs for Firefighters and First Responders with PTSD. Educates the public about rights granted to service dog teams under federal law: The Americans with Disabilities Act. They take dogs to senior living facilities, nursing homes, schools, hospice, libraries, and more. Visits from these special angels, both the dogs and their handlers, are a gift to our community. **The money we give them will go to the training of the dogs.**

Conway Quilt Guild

The Conway Quilt Guild members are volunteers that serve our community by making Quiltlets for newborns at Conway Medical Center, Comfort Quilts and Pillow Cases for Waccamaw Oncology patients (Tidelands Health) and local Oncology units, including the new unit at CMC. They also make Quilts of Valor for Veterans, Animal Beds for Horry County Animal Shelter, Breast Cancer Pillows, Walker Bags, Adult Bibs, Fidget Quilts for local Assisted Living Homes, Quilt Bags for children in distress and COVID masks for Cancer Centers, Hospitals, etc. **The money we give them will go to supplies.**

A Day of Hope

A Day of Hope provides local underprivileged and homeless students services and supplies needed to prepare for a successful school year. Most importantly, they share the Love of Jesus and a message of Hope for their lives. A Day of Hope has one day of the year, the first Saturday in August, where they gather to distribute backpacks, school supplies, etc.. to the children. They will also have other services there to help them such as, hairdressers, dental, vision, medical screenings, etc.... **The money we give them will be used for what they give to the children.**

Project Lighthouse

Project Lighthouse @ Sea Haven is a resource linkage, case management, and skill building program. This program is designed to help transitioned youth 18-24 successfully navigate their transition to independence and stability. This program includes (1) Street Outreach services, (2) a newly renovated drop-in Resource Center, and (3) Intensive Case Management services for those with immediate and critical needs in at least one area of transition to adulthood. Project Lighthouse @ Sea Haven also provides hygiene products along with clothing, hot meals and resources in 5 domains, which are; Education, Employment, Housing, Community Life Skills, and Health & Safety.

The money we give will be used just for Project Lighthouse.
