CAR SHOW EDITION

VETTE GAZETTE

IN MEMORY OF

JIM SPORE

June 2023

Volume 12 Issue 6

Last year the idea of a Special Edition Gazette was presented as a mainly pictorial issue. It was also dedicated to Jim Spore, a great member of the club and friend to all. In an effort to continue this edition and hopefully create a lasting tradition, this is now in Memory of Jim Spore. He was an amazing force when it came time for the car show and could park many cars with a single bottle of water and a smile. Thank you all for your support and enjoy this year's edition- Reese Helms, Editor

"CONGRATULATIONS and THANK YOU ALL"

I would like to take this opportunity to Congratulate and send a Thank You to all the members who spent time and/or monetary support to make the 26th Annual Myrtle Beach Corvette Show a Fantastic Success. The terrific weather brought out 94 Day of Show participants to add to our preregistrations of 270, resulting in 364 Corvettes.

In their first year as Leaders, this group stepped forward to make this event a Tremendous Success.

Editor's Notes - Reese Helms

As always we, and by we I mean you guys, pulled off an amazing show. A quick search on the internet and social media proved to me that we are the must attended event in the area year after year.

I am sorry to each of you for the delay in producing this edition.

Working full time and attending school full time at 40 has proven to be quite the adventure but the end result will be worth it. September's graduation cannot come fast enough.

Thank you to everyone who sent in pictures, and thank you to everyone else who smiled in said pictures. Without your help this edition would not be possible. I will say that this edition is always my favorite to do and this year was by far the best participation I received from our members with sending pictures in. Thank you again so much!!!!

Charity Report -

Both our Charities for this year, Canine Angels and Associated Charities, wish to sincerely thank all our membership for a wonderful Car Show and for everything we are doing to support their work for our community.

Did you stop by to visit with Associated Charities at the Car Show? Associated Charities is a 70 year old volunteer-operated charity that assists the homeless and impoverished in the Myrtle Beach, SC community.

I have included a few pictures from Canine Angels of Emilee and Parker. They were the recipients of our donation last year. I hope you all got to meet Emilee and Parker at the Car Show. The service dog for this year is Yanni. He will be placed with a phenomenal family that has a hero Dad, who served 10 years in the military and 27 years on the MB police force, and deals with PTSD, and their 8-year-old brilliant son has some special needs. There are also 4 daughters in the picture and extended families. Yanni will learn to do triple duty as a service dog for Dad, a service dog for Son, and a joyful pet for the entire family. Yanni already has had 15 months of training. Official training with the family is set to begin in mid-June. The picture of Yanni and the father and son are below.

Vendor Report -

VENDORS

We were blessed with wonderful weather for our 26th Annual Car Show and 15 vendors selling an assortment of crafts and services. This was the most vendors we have ever had. I hope everyone took the opportunity to check them out and buy something from them.

I would like to thank Carol Hogan for enjoying the many craft shows we visited during the holidays and meeting so many crafters. We had a lot of interest in them purchasing a vendor booth at our show.

Thanks to Linda Meaders and Randy Dean for helping me measure and mark each vendor booth on Friday morning. As we were working, Clyde Rogers came over and offered to help with marking the booths with tape. He will always be “the tape man” to me.

Lastly, I want to thank Al Freedman for helping me greet our vendors on Saturday morning and direct them to their booth.

Each vendor (except our Sponsors) paid a registration fee of \$50, which brought in \$210 for our charities.

I already received emails from a couple of the vendors saying they look forward to next year.

The Jim Spore Award

I would like to take this opportunity to acknowledge what a Tremendous Honor it was to be selected as the 1st Annual recipient of the Jim Spore Award.

On Friday June 3, 2022, we lost Jim just prior to our Car Show and the Board of Directors and the Members established an annual award to be presented at our Friday Night Car Show event.

He was an Exceptional Member and a Dear Friend to all of us and Jim is missed every day, but especially the day of our Show.

This Award is truly an Honor that All should endeavor to obtain.

Thank You
