March 2024

Volume 14 Issue 3

President's Corner by Bob Dyke

President's Message

As we cruise into March and the weather continues to improve, the members of the Board of Directors and many leaders and volunteers have been hard at work formulating plans for a very active year. We will once again attend at least one local cruise-in a month where we can display our cars and enjoy the fellowship of fellow car owners. In addition, we will travel to neighboring states to participate as a Club at various Corvette Clubs' Car Shows and events. Charleston, Cape Fear, Norfolk Waterside, Corvettes of Carlisle, NCM Caravan, Charlotte, Ocala, FL and OC Md. Boardwalk Parade are already scheduled.

Car Show Director Phil DelCostello is well into putting in motion plans for our 27th Annual Car Show, May 31-June 1, 2024, at Broadway at the Beach. Last year we had in excess of 85 volunteers for our show, which helped to make it a tremendous success. Once again this year we need your assistance for our Friday evening event and Saturday Car Show. Linda Morrison is leading the Tricky Tray Basket fundraising event and will have a sample basket on display at our meeting for those unfamiliar with the concept. Sign-up sheets will also be available at our meeting to volunteer for the Baskets, Friday night and our Saturday Car Show. Meanwhile, please go to our website and click on the Car Show button and register now for the June Car Show. It's really not that far away.

There are many Car Shows, Cruise-Ins, Road Rallies, Club Meetings, our Annual Picnic and events scheduled. Please refer to our website calendar for events to enjoy. If you have an idea, place or event in mind, please share it with us to be considered. Remember, this is YOUR CLUB. We want you to enjoy your membership in the Myrtle Beach Corvette Club.

"Let's make 2024 a Fantastic Year"

The Ides of March are coming and so is Spring. Another year no snow - awesome 🤔.

Along with the warmer weather will come tops down on many of our corvettes. Cannot wait. Keep your eyes on new emails from our Activities Director, Phil DelCastello, for upcoming gatherings. Always a lot of fun.

Our meeting this month will be on March 10 at Barefoot. There will be a follow up email with all the specifics.

As always we encourage participation but understand busy lives and family needs.

Jeanine and I look forward to seeing many of you again at the March meeting.

Respectfully
Santo Fiorillo
MBCC VP

Editor's Notes - Reese Helms

I sit here this evening typing my comments trying to think of Spring and yet I am in sweatpants running the heat in my home. SAD!

Recently I have been adding pictures of Corvettes to fill voids in pages and also I am working to create "Header" pages for some of the sections like Classifieds and Activities. This is to add color and engagement to the Gazette. When possible I will use our cars in lieu of random Corvettes from the internet. However I must say there are people out there doing some fantastic and reckless stuff and this guy likes both!

Things are already looking very busy for our group as the Show Flyers are "FLYING" in.... get it?!?!?!? But really we do have bunch of things coming up.

As we continue to grow it is important to reach out to the new and old members alike. We all joined for one reason or the other. We all stay for one reason or the other. Be the Reason. For some this is just a social group, time to talk and eat and the car is secondary. For some it's about the car and the social part doesn't matter at all. Take time at events, meals, outings, talk to folks. You will be amazed what you will find.

Thank you all for the support and I am looking forward to these events.

ALL SUBMISSIONS ARE DUE BY THE 28th of the month.

Please submit articles and/or pictures to:

Membership Director - Patti Stone

Hello members!

Happy March and Happy St. Patrick's Day for all who celebrate. It is exciting to see how each month brings new members into our club. We are thankful for all our new members and how our club continues to grow. Kudos to our club members for your role in helping bring new members into our club, continuing to welcome them in our club, and assisting them in what ever way needed as they learn more about our club along with names of members. This is why it is so important for all of us to always wear our name tags to our meetings and all club events, so others become familiar with your name and you with theirs.

Our membership numbers are 300 members, 136 families, 23 single, 5 social, and 5 honorary. We still have 14 family memberships and 5 single memberships we have yet to meet. I am looking forward to them attending a meeting and orientation soon, so I can introduce them to our club members.

Membership - Patti Stone

REMEMBER: New members receive their name tags and welcome packet at the monthly meeting after they join. Any new members who have not yet attended an orientation and therefore have not received their packets and name tags, please let me know if you will be attending our meeting this month. We meet at 4:15PM before the meeting starts at 5PM.

If any members have lost their name tag or have a new car they would like listed on their name tag(s), they can be ordered for \$10.00 each. Please just let me know. Our President, Bob Dyke, has MBCC cling-ons for your car for sale, made of static plastic and will not cause damage to the car. For optimal stick, dampen them before you adhere them to your car. The cost for these is \$22.00 for 2 cling-ons. I also have car decals (\$3.00) for purchase at all meetings.

If you attend a club event where members will caravan, please bring a two-way radio so you can communicate with others. Radios should be tuned to channel 8.

If there are any changes to your address, phone number or email, please let me know. I would hate for you to miss a notification of upcoming fun events or cancellations because we do not have your updated contact information. You can reach me at 336-432-4212 or email me at corvettelvrs@bellsouth.net. Please feel free to contact me with any questions, changes, or concerns.

Hope to see everyone at our March meeting. Stay safe and enjoy driving those beautiful Corvettes!

N.C.M. Ambassador's Report By Dick Lawrence

Update on the 30th anniversary NCM caravan:

The caravan leaving Asheville, NC. will continue taking reservations up till July (+/-).

As for rooms in Bowling Green, KY, the Hampton Inn is booked. However the overflow rooms at the Embassy Suites still has 30 or some rooms available.

Kim Shelton has recently moved. Send all correspondence and checks to: Kim Sheldon, 3501 Laguna Vista Dr., Waco, Tx. 76708.

Several events are now opened to purchase tickets in advance. Click on: 2024 Corvette Caravan and 30th Anniversary Celebration for event updates and to order tickets.

Please advise Dick Lawrence if you wish to purchase a \$10.00 static cling caravan window sticker. If you wish to have an ad in the Rt. 66 caravan book you can purchase a business side ad for \$50, or a vanity plate for \$25. We need a digital picture to be sent with your check to Kim Sheldon's new address.

N.C.M. Ambassador's Report By Dick Lawrence

Kim will have a caravan update for all that has registered by late March or early April. A second registration is required for the NCM attendees which includes several free events plus several "to Pay" events during the weekend.

NCM as of March 1 to October 31 is open 7 days a week and times are CST.

MBCC is working on a current updated list of all members who have pre-registered for the caravan. Please send an active telephone number including members' names for texting updates. Please forward this info to Bob or Dick to confirm.

Any questions contact Dick Lawrence at dickvettejag@hotmail.com – 336-458-8749.

Happy traveling!

Dick

Car Show Director - Phil Del Costello

As of the day I am sending this we have 93 days until the 27th Annual Corvettes at the Beach cars show. I know that sounds like a lot of time but it will go fast. It's time to head over to the website and register for the pre-party Friday night event on May 31 and the car show on June 1st. Club member registration has been slow since the registration opened but remember this is a charitable event and all proceeds will go to our two charities, Julie's Kids and Children's Recovery Center. Let's get those registrations in early to make it easy for the registration committee.

During the February meeting we had sign-up sheets out for different volunteer positions. We still need a lot more volunteers. We need members for Parking, Registration, Judging, Front Gate, Water and Ice and miscellaneous areas. We can't make this a successful car show without your help so please sign up.

So again, I'm asking for your help. Please register your car and sign up for one of the volunteer positions. This is not my car show or the board's car show, it's the members' car show and we need your help to make it a great success.

Thank you in advance for your support.

Everything is original on the car except for the Borla Exhaust, the wheels were chromed, and the convertible top was replaced with a new one with the upgraded glass window. The paint has also been ceramic coated.

I have owned, loved and babied this car since July, 2002. She was always stored in a heated garage. (She is still in a garage, but not heated now.) I never drove her in the rain intentionally, and if she got stuck in the rain, she was immediately cleaned from top to bottom afterwards.

I used to show her in all the New England Corvettes shows, from New York, Massachusetts, Rhode Island, Connecticut and New Hampshire for over 14 years. She would always win at the shows for her cleanliness and condition. Most of the time she would take first place in the Super Street category, and she has won Best of Super Street and Best Interior trophies many times.

I am only selling her because I really do not go to shows any longer, and I really do not drive the car much any longer. Unfortunately, I need the garage space as well now.

I am hoping that someone will buy her and love her and baby her as much as I did because she is a rare and beautiful car. For more information, please call or email me.
