President's Corner by Bob Dyke

Welcome Spring and Longer Daylight

Members of the MBCC have been very active so far this year, attending many local Cruise-Ins and Car Shows and preparing for a number of upcoming events, including our 27th Annual Corvettes at the Beach, May 31st-June 1st. This event requires a lot of planning AND volunteers. We need you as members to especially assist with our Friday Night Dinner and of course on Saturday at our Show. This weekend fulfills all three aspects of a successful Club. "Charity, Social and Cars".

As we enjoy the Social on Friday night and the Cars on Saturday, we collect the majority of our funds to donate to our Charities. Our sponsors also make up a large portion of our charitable donations.

Let's ensure our 27th Annual Corvettes at the Beach is successful and be involved. Please pre-register AND volunteer now. We need you to participate and help make our Car Show another success. We are only two months away and a great deal to be done before then.

Car Show Director Phil DelCostello will be returning and distributing our Safety Yellow Event T-Shirts at the April meeting and for any new members who were not involved in our show last year, taking your order size to accommodate.

President's Corner - Bob Dyke

March 16th found 25 Corvettes from MBCC overwhelming the parking lot at McDonald's Aynor and on the fly directing of cars to Sparky's 10 miles up Rt. 501 before our departure for McCleod Farms in McBee, SC. This was our 2nd cruise and lunch meetup at the farm with the Queen City Corvette Club and largest turnout with 45 Corvettes. With great weather and friendships made, this event will be an annual event by our two clubs.

The MBCC has once again been invited to participate with a Corvette display at Brightwater Senior Living on April 17th, 9:45-11:00 am. We have always had in excess of 20 Corvettes participating, so please mark your calendars. Sign-up sheets will be available at our April meeting or email me at rdykembcc@gmail.com.

Jim Spore Award:

A very important and key person involved not only in our Annual Car Show but the MBCC in many roles, Jim Spore passed away June 3, 2022. An Award was established in Jim's name to be presented to a MBCC Member/ Couple who exhibits the values and dedication to the Myrtle Beach Corvette Club that Jim exhibited. Dwight Taylor, beachbumdwight@yahoo.com, is receiving nominations for this award until April 12th and will present the nominees at our April 14th meeting. Please email Dwight with your nominations.

Please refer to our Website Calendar for Monthly Meetings, Cruise-In's, Car Shows and Special Events.

We're almost there, "The MBCC Annual Car Show"

We're still in need of volunteers.

Our annual car show, June 1, is the highlight of our club. The work that is put into the show is extensive and well worth our effort as our charities benefit. Isn't that why we do this?

Please don't forget to register.

As the summer approaches (lol), we look forward to tops down and cruising.

Our April meeting will be held at the "Pine Lakes Country Club" on Sunday, April 14.

There will be a follow up email with details.

See you then

Santo

Editor's Notes - Reese Helms

March marched right by at an amazing pace. I personally am glad to see it go as it brought enough rain here to float the Ark and the weather was arctic.

The Club has been very busy with outings, meets, shows, and my personal favorite - FOOD!

Remember to reach out to the new members and invite them places or if you see them at events help them to get parked with the rest of the group.

As for me personally, crime is up and therefore business is good. I have pictures but in an effort to conserve time they must wait.

ALL SUBMISSIONS ARE DUE BY THE 28th of the month.

Please submit articles and/or pictures to:

Membership Director - Patti Stone

Hello members!

Happy Easter! Hope you enjoyed your family and friends during this blessed holiday. I so love this time of year when we get to experience the freshness of Spring, our flowers begin to peak through, birds chirping, and the warmth of the sun. What a perfect time of year to enjoy our Corvettes in between our spring house cleaning. We can all look forward to many upcoming events within the club, where we can enjoy not only driving our Corvettes together, but the fellowship with fellow club members and getting to know our newest members. If you see an unfamiliar face, please make it a priority to introduce yourself and welcome them to our club. I know they would appreciate your kindness.

Our membership numbers are 310 members, 140 families, 25 single, 5 social, and 5 honorary. We still have 12 family memberships and 6 single memberships we have yet to meet. I am looking forward to them attending a meeting and orientation soon, so I can introduce them to our club members.

Membership - Patti Stone

REMEMBER: New members receive their name tags and welcome packet at the monthly meeting after they join. Any new members who have not yet attended an orientation and therefore have not received their packets and name tags, please let me know if you will be attending our meeting this month. We meet at 4:15PM before the meeting starts at 5PM.

If any members have lost their name tag or have a new car, they would like to be listed on their name tag(s), they can be ordered for \$11.00 each. Please just let me know. Our President, Bob Dyke has MBCC cling-ons for your car for sale, made of static plastic and will not cause damage to the car. For optimal stick, dampen them before you adhere them to your car. The cost of these is \$22.00 for 2 cling-ons. I also have car decals (\$3.00) for purchase at all meetings.

If you attend a club event where members will caravan, please bring a two-way radio so you can communicate with others. The radio should be tuned to channel 8.

If there are any changes to your address, phone number or email, please let me know. I would hate for you to miss a notification of upcoming fun events or cancellations because we do not have your updated contact information. You can reach me at 336-432-4212 or email me at corvettelvrs@bellsouth.net. Please feel free to contact me with any questions, changes, or concerns.

Hope to see everyone at our April meeting. Stay safe and enjoy driving those beautiful Corvettes!

NCM 30th Anniversary Caravan

MBCC is making a club statement with already 25 Corvettes taking part in the 30th Anniversary Caravan to the NCM in late Aug. 2024.

Wow, what a time we anticipate having in our 4-state caravan of approximately 300 corvettes. The museum has published (they expect) 7,500 corvettes or more.

If any members are thinking of attending this once every five-year pilgrimage, don't delay by registering ASAP. We only have five months before the event.

Check the internet....2024 Corvette Caravan and 30th Anniversary Celebration for updates and to purchase tickets. Registration for the caravan must be postmarked by July 1, 2024.

Please advise Dick Lawrence if you wish to purchase a \$10.00 static cling caravan window sticker. If you wish to have an ad in the Rt. 66 caravan book, you can purchase a business card size ad for \$50. Or a vanity plate for \$25. We need a digital picture to be sent with your check to Kim Sheldon's new address.

N.C.M. Ambassador's Report **By Dick Lawrence**

Kim will have a caravan update for all that have registered sometime in April. A second registration is required for the NCM attendees, which includes several free events plus several "to Pay" events during the weekend.

NCM as of now through October 31 is open 7 days a week and times are CST.

MBCC is working on a current updated list of all members who have pre-registered for the caravan. Please send an active telephone number, including members' names, for texting updates. Please forward this info to Bob or Dick to confirm.

Any questions contact Dick Lawrence at dickvettejag@hotmail.com – 336-458-8749.

Tricky Tray Information - Linda Morrison

GREETINGS TO ALL MBCC MEMBERS,

I am excited to say that we had a great response to the donations made for our “Cheer” baskets at the March meeting. We collected over 50 bottles of Wine, Liquor and Champagne. We have ample Wine and Champagne, but could use more alcohol as we only collected 6 bottles. However, if you didn’t make the March meeting, you can bring some to the April Meeting. Your generosity is truly appreciated.

For our April Meeting, we are asking for Gift Cards. These need to be chain restaurants or business. Last year we collected over \$500 worth of gift cards from our members - WOW!! This basket was a very popular basket that everyone wanted to win.

For New Members to the MBCC, you may not be familiar with this fundraiser. I would like to explain how these ‘Tricky Tray Baskets’ come into play. Every year, the MBCC has a Banquet the night before the Car Show. All members and attendees to the Car Show are invited to attend. You will need to fill out the registration form and sign up for the Banquet. A fee to participate is listed. This year the event is being held at the Landmark Inn in Myrtle Beach on May 31. Included in your fee is Dinner, Music and Cash Bar. The Tricky Tray Basket Raffle tickets are numbered tickets and sold separately. Each person who purchases these tickets places their ticket in a container that is in front of the basket that they are trying to win. Last year we had over 50 baskets that were donated by members and businesses. To name a few: Car Wash Kits, Tinder Box Cigar, Coke Collection, Picnic BBQ, Flamingo basket, Pamper Yourself, Kitchen Gadgets, Coffee Break and lots of Wine Baskets. Last year we raised over \$2200. If anyone is interested in making a basket or would like more information, please contact me. I will be glad to help you.

Tricky Tray Information - Linda Morrison

I hope this information has helped to better explain how this fundraiser works. We truly appreciate all of the contributions and a big Thank You to all that have volunteered to help with this event!

Best Regards,

Linda Morrison, 843-902-2992, javafix@sccoast.net

Everything is original on the car except for the Borla Exhaust, the wheels were chromed, and the convertible top was replaced with a new one with the upgraded glass window. The paint has also been ceramic coated.

I have owned, loved and babied this car since July, 2002. She was always stored in a heated garage. (She is still in a garage, but not heated now.) I never drove her in the rain intentionally, and if she got stuck in the rain, she was immediately cleaned from top to bottom afterwards.

I used to show her in all the New England Corvettes shows, from New York, Massachusetts, Rhode Island, Connecticut and New Hampshire for over 14 years. She would always win at the shows for her cleanliness and condition. Most of the time she would take first place in the Super Street category, and she has won Best of Super Street and Best Interior trophies many times.

I am only selling her because I really do not go to shows any longer, and I really do not drive the car much any longer. Unfortunately, I need the garage space as well now.

I am hoping that someone will buy her and love her and baby her as much as I did because she is a rare and beautiful car. For more information, please call or email me.
