President's Corner by Bob Dyke

Only 4 weeks to go. "Corvettes at the Beach"

We are approximately 4 weeks away from our 27th Annual Car Show being staged at Broadway at the Beach on May 31-June 1, 2024. With a few car show veterans and a number of new faces assisting our new Car Show Director, Phil DelCostello, we are sure to have a very successful event. To all of the volunteers currently involved and those that will be active for our Friday night event and our Saturday Car Show, THANK YOU VERY MUCH. It is not too late to volunteer and we need your assistance. To our new members that have joined in the last year, this is one of the best ways to get to know your fellow members.

For those that have volunteered to be a Car Show Judge, please try to attend our May 19th meeting at 4:00 pm to meet with Kevin Duke to discuss judging criteria. Also for those attending, please bring Scratch Off tickets for one of our final Tricky Tray Baskets. Thank you to Chair Linda Morrison and those assisting her.

Congratulations!!

MBCC Members have been very successful in the various Car Shows and Cruise-ins that we have attended this Spring. Members have been awarded several Best of Show and many 1st, 2nd and 3rd place trophies. Past President Gerry Gismondi keeps us all informed pertaining to local events with his weekly emails of upcoming events. Come out and join us.

Online registration is available for the October 19th Queen City Corvette Show, along with reserving a discounted room at the Hampton Inn. This hotel is less than a mile to Hendricks Motorsports, site of the Show.

The MBCC has once again been invited to participate in the 2024 Military Appreciation Parade in Market Commons on May 25. We have always had in excess of 20 Corvettes participating, so please mark your calendars. Sign-up sheets will be available at our May meeting or email me rdykembcc@gmail.com.

Please consult the calendar on our website, activities listed in the Vette Gazette, and read the various emails sent out on a regular basis pertaining to our events. Our Facebook page is also a great source for photos of our events. Suggestions are always welcome if you have an event or an idea that the Activities Committee can pursue.

Happy Mothers Day!!

Bob

Vice President's Page - Santo Fiorillo

As you all know the MBCC annual car show is quickly approaching. The upcoming club meeting in May is the last meeting before the show. We have many new members, therefore hopefully many new volunteers for the car show. We never have too many.

One of the things that people like to see at car shows is club member participation. That says a lot about the club. The more member volunteers are out there, the more we stand out, which says we're proud of our club, we care, and it shows club comradeship.

If you can, please volunteer to help out any way you can.

Our May meeting will be held on May 19 as the 12th is Mother's Day and we can't mess with that, we won't mess with that.

More information on that in an upcoming email, detailing times and venue.

Hope to see you all at the meeting
Santo Fiorillo

Its almost Showtime!!!!

While in general I am always excited to type this section for the Club and share thoughts, what nots and such, today I am on a different level.

We are coming off one of worst local mass casualties to affect Law Enforcement that I can recall. Please pray for the Officers working, as they work day in and day out without question.

As for Corvette Stuff, life has been remaining busy at the shop. Below is a just a recent example.

And on a final note, my little girl that many of you know attended her senior prom last weekend.

Thank you all ALWAYS!!!!

ALL SUBMISSIONS ARE DUE BY THE 28th of the month.

Please submit articles and/or pictures to:

Membership Director - Patti Stone

Hello members!

Wow, hard to believe it is already May and a few weeks before our annual Car Show. Time flies when you are having fun. That is exactly what our club does is have fun and fellowship with our many social events. If you are a new or old member and have not attended one of our social events lately, you are missing out on a great time. It is a great way to meet fellow members and find out what other things you have in common with members besides Corvettes. If you have not already, please volunteer to support our Car Show in some way (financially, give of your time, or make a Tricky Tray Basket). This is our main fundraising event to support our chosen charities for this year. It takes a village, or in our case an entire club, to put on this Car Show. Don't miss out on this fun and worthwhile event, both Friday night and Saturday. You will be so glad you did.

Our membership numbers are 323 members, 146 families, 26 single, 5 social, and 5 honorary. We still have 15 family memberships and 6 single memberships we have yet to meet. I am looking forward to them attending a meeting and orientation soon, so I can introduce them to our club members.

We also Celebrate the following anniversaries:

22 years

Jim & Debbie Sadar

I neglected to recognize them when they celebrated their 20th anniversary with the club, so I am recognizing them now for their current years with the club.

15 Years

Tim & Denise Pelletier

5 Years

Tony & Eileen Zappia

Membership - Patti Stone

REMEMBER: New members receive their name tags and welcome packet at the monthly meeting after they join. Any new members who have not yet attended an orientation and therefore have not received their packets and name tags, please let me know if you will be attending our meeting this month. We meet at 4:15PM before the meeting starts at 5PM.

If any members have lost their name tag or have a new car, they would like to be listed on their name tag(s), they can be ordered for \$11.00 each. Please just let me know. Our President, Bob Dyke has MBCC cling-ons for your car for sale, made of static plastic and will not cause damage to the car. For optimal stick, dampen them before you adhere them to your car. The cost of these is \$22.00 for 2 cling-ons. I also have car decals (\$3.00) for purchase at all meetings.

If you attend a club event where members will caravan, please bring a two-way radio so you can communicate with others. The radio should be tuned to channel 8.

If there are any changes to your address, phone number or email, please let me know. I would hate for you to miss a notification of upcoming fun events or cancellations because we do not have your updated contact information. You can reach me at 336-432-4212 or email me at corvettelvrs@bellsouth.net. Please feel free to contact me with any questions, changes, or concerns.

Hope to see everyone at our May meeting. Stay safe and enjoy driving those beautiful Corvettes!

NCM 30th Anniversary Caravan

Kim Sheldon recently e-mailed all who registered for the caravan an updated agenda with new instructions with several route options. This year's caravan gives individual clubs several travel routes or to make our own routes.

Currently MBCC has 24 members and Corvettes registered for both the caravan and the 30th NCM Anniversary dated 8-26 to 8-31-24.

We have many exciting events scheduled on the caravan and at the museum.

Any member still contemplating joining the caravan still has time as the deadline for the caravan registration is July 1st. The NCM has no deadline as you can register at the museum in late August, but it would be BEST to register early.

As a side note, Tadge Juechter, known as the grandfather of the C-7 and C-8 Corvettes, has recently announced his retirement this summer. He has worked 47 years with General Motors in many different capacities. We wish Tadge the BEST with his retirement but the Corvette world will definitely miss his inputs on the most iconic and recognized Corvettes. Job will done!

N.C.M. Ambassador's Report

Dick Lawrence

Please advise Dick Lawrence if you wish to purchase a \$10.00 static cling caravan window sticker. If you wish to have an ad in the Rt. 66 caravan book, you can purchase a business card size ad for \$50. Or a vanity plate for \$25. We need a digital picture to be sent with your check to Kim Sheldon's new address.

NCM as of now through October 31 is open 7 days a week and times are CST.

MBCC is working on a current updated list of all members who have pre-registered for the caravan. Please send an active telephone number including members' names for texting updates. Please forward this info to Bob or Dick to confirm.

Any questions contact Dick Lawrence at dickvettejag@hotmail.com or 336-458-8749.

Car Show Director - Phil DelCostello

Hello Members,

Well by the time you get this there will be less than 30 days until the car show on June 1 at Broadway at the Beach. Our dinner on Friday night, May 31, will be held at the Landmark Resort and that will begin at 5:30 pm. Online registration will be open until May 15, and there is still plenty of time to get your cars registered for the show and to sign up for the dinner on Friday night. As of today, we only have 58 cars from MBCC registered for the show, which is less than what we had last year. This is the biggest fundraiser for our charities so we need your support.

On Show Saturday we need all volunteers to arrive no later than 7:00 am. There will be a meeting for all parking and judging volunteers and we expect cars to start arriving by 7:30 am. The tent, port-a-potties and hand washing stations will be delivered and set up on Friday morning. Barricades will be set up on Thursday evening through the end of the show to keep shoppers and workers at Broadway at the Beach from parking in the lots. All that are coming to the car show are reminded to bring a case of water. It is not unusual to have 75-100 cases of water piled up under the tent. It will be June and it will be hot and EVERYONE, participants and volunteers included, will need to stay hydrated. The water is free to everyone and many times we get donations for the water. Our volunteers on golf carts will be passing out water and collecting for the 50/50 as well. Remember to bring hats, sunglasses and sun screen.

So now on to some good news. As of today, we have 214 cars registered for the show, 156 non-member cars and 58 MBCC cars. We still need more. We have 150 people signed up for the dinner on Friday night, 72 MBCC members and 78 non-members. The room will hold over 200 people so we still have room for a lot more. Doors open on Friday night at 5:30, with hors d'oeuvres, a cash bar and a buffet dinner. The band starts at 6:00 pm and will play until 10:00 pm. There's lots of fun checking out the baskets and taking a chance on them. The Friday night party is a great time and you will have a chance to meet some on the participants that will be at the show on Saturday.

Everything is original on the car except for the Borla Exhaust, the wheels were chromed, and the convertible top was replaced with a new one with the upgraded glass window. The paint has also been ceramic coated.

I have owned, loved and babied this car since July, 2002. She was always stored in a heated garage. (She is still in a garage, but not heated now.) I never drove her in the rain intentionally, and if she got stuck in the rain, she was immediately cleaned from top to bottom afterwards.

I used to show her in all the New England Corvettes shows, from New York, Massachusetts, Rhode Island, Connecticut and New Hampshire for over 14 years. She would always win at the shows for her cleanliness and condition. Most of the time she would take first place in the Super Street category, and she has won Best of Super Street and Best Interior trophies many times.

I am only selling her because I really do not go to shows any longer, and I really do not drive the car much any longer. Unfortunately, I need the garage space as well now.

I am hoping that someone will buy her and love her and baby her as much as I did because she is a rare and beautiful car. For more information, please call or email me.
